Dear residents of Brentwood Towers:

As we have communicated in previous notices, the challenges with labor and materials delivery because of the pandemic have affected our timetable.

The bar chart above shows that:

1. All interior finishing work for the townhouses will be completed by approximately end of February 2022.
2. The parkette development (also written in a separate notice served to all tenants) will be completed by about the 2nd week of November 2021.

For any questions, please contact Ernie Puguon through epuguon@oshanter.com or 416-466-2642 Ext. 315.
