

# NOTICE

## Coronavirus (COVID-19)

In an effort to keep our staff safeguarded, office hours at Signet Group have been temporarily reduced.

At this time, maintenance service requests should be limited to matters of urgency and directed via e-mail to:

[maintenance@signetgroup.ca](mailto:maintenance@signetgroup.ca).

For other urgent matters contact your building superintendent or head office via telephone:

416-783-1600

We appreciate your understanding and cooperation during these trying times and we are endeavoring to ensure the health and wellbeing of all tenants, visitors and staff.

Additional cleaning and disinfecting procedures are being implemented at the buildings, in high touch areas, in order to reduce the risk of viral transmission.

Very truly yours,  
SIGNET GROUP INC.

# THANK YOU

Signet Group would like to thank all the Frontline Healthcare Providers, Hospital Service Professionals and First Responders across the City for tirelessly battling to save lives in this fight against the spread of Covid-19.

We would like to connect with our Frontline working residents. If you are, or know someone in our Resident Community who is, a member of one of the above, we would like to hear from you to extend our thanks.

Please email us at [community@signetgroup.ca](mailto:community@signetgroup.ca) attaching a picture and a blurb on the roll you or your fellow resident plays.
