

Frederick City Zoning – Professional Business (PB)

The purpose of the Professional Business District (PB) is intended to provide land for office, medical office and research and development with retail and service uses as secondary uses only. The intent of this designation is to preserve high quality future office lands primarily for office uses. Secondary uses should serve the businesses and employees in the office area and may include the sales or services such as meals, banks, personal services, day care and business support services. These commercial needs of employment centers should be met in ways that do not substantially increase peak hour traffic.
