## 37" Bluetooth Soundbar

3 ways to play music.

The ASB-110BT soundbar by **Impecca**, blends perfectly with widescreen displays up to 70" is desk or wall mountable, sleek, and out of the way. Extended interior holds double channel speakers with impressive sound quality, and passive radiator bass reduces turbulence. Enjoy volume variation for any occasion, giving you the best party/dance/club beats around!

Stream music via Bluetooth, optical, or audio line in and enjoy added convenience with remote control. The ASB-110BT gives that home theater feel, while retaining the sleek effect in modern decor.
