LIGHT WEIGHT STEREO EARPHONES

The Light Weight Stereo Earphones from Impecca™ provide quality acoustic sound. The metal housing of the earphone reduces vibration for a more enjoyable listening experience. Three sizes of ear buds ensure comfortable in-ear fit for maximum comfort. The cable is made from braided tangle-free fabric, and is 1.2m in length. The gold-plated 3.5mm stereo mini plug provides compatibility with a wide variety of media devices.

Impecca, Simply Impeccable.
