LAP1603

16" Laptop Case

Impecca™ 16" Laptop Case is an impeccable carrying case for the on-the-go professional. LAP1603 is made of the finest and most durable nylon fabric, which provides complete protection for your laptop. The main compartment has an adjustable padded divider that securely protects notebooks up to 16". Additional features include a front accessory pocket that is perfect for storing your power supply, external memory, or other accessories, and an inner file pocket that is ideal for storing important documents. An adjustable & detachable shoulder strap and a padded comfort handle make this bag easy and comfortable to transport. Impecca™ 16" Laptop Case is the ultimate solution for an easy, comfortable, stylish and smart laptop case.
