Find Your Soul's Purpose

Discover Who You Are, Remember Why You Are Here, Live a Life You Love
Janet Conner

This is a book about identity, calling, and living a life infused with meaning and purpose. Janet Conner confronts the three big questions every thoughtful person asks: Who am I? Why am I here? What is my purpose?

Janet's premises are as follows: each of us has a purpose—a divine purpose, and each of us contains the soul talents and abilities to remember that purpose and bring it to full expression in our lives. As we serve our purpose, we discover how to live a life we deeply love.

In 7 chapters, Conner leads the reader on a spiral path of self-discovery as she guides readers to feel your divine spark of longing, listen to your soul's stories, remember the rich components of your soul's purpose, watch the past change as you view it with new eyes, nourish your gifts and talents, and more. Filled with meditations, anecdotes, and exercises that activate the soul's inner knowing, this book will appeal to a wide range of spiritual seekers looking for purpose, happiness and love.
