A 30-DAY SOUL PROGRAM

*Access the Wisdom of Buddha and Jesus
to Nourish Your Beautiful, Abundant Life*

JANET CONNER

author of *Writing Down Your Soul*

"Jesus said we could create heaven on earth. The Buddha said we could create the conditions for manifestation. Janet Conner tells us how. Her 30-day program is spiritual yet eminently practical, deeply serious yet lots of fun. This is a step-by-step guide to expressing our own divinity."

—Ellen Debenport, author of *The Five Principles*

"Janet Conner has her priorities straight. And because she does, she's written a poetically precise guide to how we can all grow beyond 'What's in it for me?' to 'Just how do I seek first the kingdom?' Do what she says and you'll know what it means to have 'all these things' added to your very blessed life."

—Victoria Moran, HHC, AADA, author of
Creating a Charmed Life and *Main Street Vegan*

"Janet Connor has taken her readers from *Writing Down Your Soul* to fully aligning with the pure intentions of our purpose on earth. Janet's book, *The Lotus and the Lily*, lifts, lightens, and leads the dedicated truth student to understanding true prosperity. Lasting prosperity is when the lower earth chakras are balanced and the heart chakra is open to allow the upper chakras of heaven to be revealed. The 'I AM' expression along with the gift of inner seeing lead the readers to a new way of existence—a life free of wanting and a joyful life of always having."

—Rev. Temple Hayes, senior minister of Unity Campus,
St. Petersburg, FL, and author of
How to Speak Unity and *The Right to Be You*

"I believe there is no more important work we do than culturing our inner knowing. As a lifetime journal keeper, I have chosen Janet Conner to be my most trusted guide on my interior journey. Revealing secret paths and signposts, she illuminates our deepest and most fulfilling ways of being and becoming. Through *The Lotus and The Lily* I learned to plant the seeds of my intention for a beautiful life in the fields of my Soul. A bountiful harvest awaits all who journey within."

—Diana von Welanetz Wentworth, founder of the Inside Edge motivational breakfast forum (www.InsideEdge.org), and author of nine bestselling and award-winning books including two titles in the bestselling Chicken Soup for the Soul series

"In this deeply nourishing 30-day program, Janet Conner weaves a magic carpet of the combined paradoxical wisdom of Buddha and Jesus and carries us into transcendent creativity. *The Lotus and The Lily* is a joy ride!"

—Ted Wentworth, author of *The Enlightenment Code* and editor-in-chief of *Enlightenment Lifestyle Magazine*

"*The Lotus and The Lily* is simply divine. In it, Janet Conner takes us far beyond the Law of Attraction. Through her deeply transformative process, we learn to prepare ourselves for the life of our dreams. After participating in Janet's program, I experienced a shift in focus—from wants and worries to creating the conditions for my life to flourish. This shift made all the difference."

—Laura Harvey, editor of *Daily Word*

"*The Lotus and the Lily* is an invitation to experience more of everything that life has to offer. Wise, warm, and friendly, this is an essential guide to living the adventure of your soul."

—Joel Fotinos, author of *Think and Grow Rich Every Day*
