

Reach It, Grab It, Pick It Up!

Product Catalog

Original E-Z Reacher® Pick up tool now with a long-lasting metal trigger pivot. Strong 4-finger trigger. Available in effective reach lengths of 20, 32, 40 & 48" inches. The 48" has a slip joint for more convenient storage. Able to grasp and lift objects from a thin dime to an 8 lb brick. Replaceable EPDM cups are long-lasting in sunlight and on asphalt. Millions have been sold throughout the world and used by schools, parks, DOT's, solid waste, property mgmt. and volunteers.

EZ Reacher PRO offers a large handle to better accommodate gloved hands. A grip lock can be turned on or off and used with heavier items or on longer reachers. Available in 20", 32" & 40" lengths. Also 48", 60", & 72" lengths come with collapsible slip joint for more economical shipping and easier storage. The EXTRA long 96", 120", & 144" lengths include TWO slip joints to for more convenient storage

Now with strong neodymium magnet

MamMouth Grabber™ Popular squeeze grip design for quick action. Tongs open over 5" and made from strong and corrosion resistant plastic polymer. Brushed aluminum shaft. No tips to replace. Internal mechanism enclosed in plastic to eliminate dirt and rust. Fingers angled 35° for easier reach over shelf edges. Available in 16", 28" & 36" lengths

Choose the tool that is right for your customers...

Safety Orange Litter Pick Up Tools

KIWI™ - This handy and lightweight tweezer-style tool is practically indestructible. Long-lasting design has no parts to replace. The KIWI is helpful as a "walking stick" to assist in rough terrain. Smooth tips will not snag bushes or bagged trash. Still, it is precise enough to pick up a dime. Orange foam grips make the KIWI easier to find. Hold your KIWI at the end for maximum reach or choke up for quick action pick-up's.

Orang-U-Tongs™ Professional grade pick-up tool. Easier trigger pull and rustproof stainless steel "fingers". Handy elastic lanyard keep grabber close during those heavy two-handed pick-up's. Effective reach is 33" and weighs only 10 oz. Pick-up capacity is about 5 lbs. Bright orange color for both safety and identification.

Orang-U-Tongs Standard the more economical version is available in overall lengths of 32" and 40" and weighing 7 oz and 10 oz respectively.

Trash Gun™ version is 32" long with a metal folding joint for handy storage. Also included is a durable ABS holster to keep the grabber handy at all times

Orang-U-Tongs LITE the all plastic squeeze grip version is available in overall lengths of 23" & 32" and weighing less than 5 oz. Flexible "fingers" bend but do not break. Strong enough to pick up about 3 lbs. Perfect for volunteers of all ages.

Qwik-Pik is the lowest priced grabber available. The 31" long, Small squeeze grip is perfect for both weak or small hands. Designed with pick-up capacity of less than 1 lb. Ideal for short-term use
