

SOFPULL® CENTERPULL JUNIOR PAPER TOWEL DISPENSER BY GP PRO (GEORGIA-PACIFIC), BLACK, 1 DISPENSER

Description:

The attractive, innovative SofPull® Centerpull towel system is a smart choice for steady use in areas that are smaller and have limited wall space. The easy-to-load, self-threading design and holds up to 225 soft, quality centerpull towels for one-at-time touchless dispensing even in tighter spaces or to outfit a work area with multiple towel dispensers. A viewing window on the top helps anticipate when a reload is necessary. Use these premium paper towel systems in smaller restrooms, patient rooms, classrooms, food preparation areas and more. The SofPull® Centerpull Towel family of dispensers includes 'high capacity', 'regular' and 'junior' size dispensers so there are options to fit any use area or limited space in your facility. And the sophisticated black color makes this dispenser the perfect choice for office buildings, retail businesses, restaurants, or healthcare facilities.

Features and Benefits:

- **DEPENDABLE** centerpull design dispenses one at a time, every time, which helps reduce waste
- **SIMPLE**, stylish, easy to load and maintain commercial paper towel dispenser
- **HYGIENIC** because only the end of the next towel is exposed which helps minimize the risk of cross-contamination
- **EFFICIENT** because it holds up to 225 centerpull paper towels which reduces the chance of run-out and time spent refilling the dispenser
- **COMPATIBLE** with SofPull® Centerpull Junior Capacity Paper Towel (28125)
