Floor Care

Product Information & Solutions

Super-Strip Speed Stripper

An all purpose stripper for removing most floor finishes. Formulated to quickly emulsify floor finish. Low foam, low odor, fast acting, removes multiple coats. For industrial and institutional floor stripping. For use in schools, factories, stores, kitchens and hospitals.

DOES NOT CONTAIN: Ammonia, phosphates, nonylphenol surfactants, or fragrance. This product is formulated to work with cold water. Cold water conserves energy.

DIRECTIONS:

LIGHT BUILD-UP OR SURFACE SCRUBBING: Dilute 8 ounces (1:16) with 1 gallon of cold tap water.

MODERATE BUILD-UP: Dilute 16 ounces (1:8) with 1 gallon of cold tap water.

HEAVY BUILD-UP: Dilute 32 ounces (1:4) with 1 gallon of cold tap water.

1. APPLY a liberal amount of the diluted solution to the floor and let product penetrate the floor finish for 3 to 5 minutes.
2. MACHINE SCRUB Using rotary floor machine and black nylon pad.
3. SOLUTION PICK-UP with mop or wet & dry vacuum cleaner. NOTE: Do not allow solution to dry prior to pick-up.

Available in:

4/Gallon Case 1C27004

5 Gallon Pail 1C27005

Product No. 1C27004

TECHNICAL SPECS:

Appearance	Liquid
PH	13 - 14
Fragrance	Lemon
Color	Yellow
Specific Gravity	1.083
VOC Content	< 70
Vapor Pressure	< 17 mm Hg
Solubility in Water	Complete
