ULTRA DISH

Commercial Dishwasher Detergent

This high performance liquid commercial dishmachine detergent delivers consistent results calibrated for the toughest soils. Suitable for use in all temperature applications. Effective in removing a wide range of soils from stainless steel, glass, plastics and fine chinaware.

USE DIRECTIONS:

ULTRA DISH is for the deep cleansing of tableware in commercial dishwashers. Add **ULTRA DISH** to the metering reservoir mounted on the machine and inject into the first stage wash water at a concentration recommended by your **Butler Representative**. Then air dry tableware.

IMPORTANT NOTE: Dispenser should always be set to deliver milliliters (ML) per rack recommended by your **Butler Representative**.

BENEFITS:

- ★ Ultra-Concentrated – Requires less shelf storage space & easier to manage
- ★ Low dose per rack – More efficient and economical
- ★ Non foaming – stronger pump pressure
- ★ Capped system – helps prevent employee free pouring to ensure employee safety
- ★ Straw Insert System – pumps all remaining product from the bottom of the container
- ★ High alkaline PH – breaks down grease and other soils
- ★ Hard water chemistry – helps prevent hard water scale build up

TECHNICAL SPECS:

pH: 13.0
Fragrance: No Fragrance
Color: Red
Pack Size: 1x1.5 Gallon Cases
Re Order # CE-0113-001
TI-20 HI-3Cube
