

The Lovedale Long Lunch is a progressive style lunch where seven Lovedale wineries team up with local Hunter Valley restaurants for a weekend of exceptional wine, gourmet food and live entertainment.

Food and wine lovers are invited to wine and dine across Lovedale's finest wineries over the third weekend in May each year.

10am-4pm

The Lovedale Long Lunch reserves the right to change wines and menus without notice according to availability. Recommended wine matches are not included in the event packages.
