## Facilities Guide

*“There was an incredible energy in the space that supported participants to collaborate and think big. We got so many compliments on our choice of venue! It was beautiful, functional and supremely inspiring.”*

- Sara Aye, Co-Founder & Executive Director at Greater Good Studio

Marwen provides visual arts, college and career programming for Chicago's young people from under-resourced communities and schools. Located in River North, Marwen's campus is designed to foster creativity, collaboration, artistic expression, and skill development. From expansive galleries to state-of-the-art studios, corporate events in our space are unique and inspirational experiences. With hands-on event support, guests will feel welcome and engaged. **Every dollar earned from this initiative directly supports our mission of offering 100% FREE programs to Chicago's young people from under-resourced communities and schools.**
