

ARE YOU READY TO BECOME A NURSE?

TO BE ACCEPTED INTO MASSBAY NURSING, YOU NEED TO ACHIEVE REQUIRED SCORES ON THE HESI EXAM!

Exam Success for Future Nursing Students: HESI Prep Workshop
 You will develop test-taking strategies, review subjects, and take home practice questions so that you can pass the HESI

Saturday 11/3/18 | 12-3PM
Wellesley Hills campus, Rm 309

Saturday 12/1/18 | 12-3PM
Framingham campus, Rm 201

Absolutely free! Spaces are limited!

Through the **Academic Achievement Center (AAC)**, MassBay offers students a workshop covering test-taking strategies and subject review prior to taking the Health Education Systems Inc. Admissions Assessment (HESI A2), required for admission to the Practical Nursing program at MassBay. The exam assesses an applicant's academic readiness and is a predictor for success in Nursing programs.

HESI A2 2018 Requirements for MassBay Practical Nursing ("PN") Program

Program	Minimum HESI A2 Sub-Tests Required					
	Reading Comp	Vocabulary	Grammar	A&P	Math	Overall Composite
Practical Nursing ("PN")	*	*	*	*	*	70%

* Applicant takes all five sub-tests. No minimum sub-test score is required. However, 70% or better in Overall Composite (all five sub-test scores combined/averaged) is required.

We advise you to purchase the review book at the bookstore or online: *Evolve Reach Admission Assessment Exam Review, 4th Ed*
