

*Your dreams. Our mission.*

## **RADIOLOGIC TECHNOLOGY (RT) DAY ADMISSION APPLICATION**

### **STEP 1: SUBMIT A GENERAL ADMISSIONS APPLICATION TO MASSBAY**

- If this is your first time applying to MassBay, please complete and submit a MassBay General Admissions Application. If you are a current or former student, please check with the Office of Admissions prior to submitting a new MassBay General Admissions Application.
- Select your intended major as Radiologic Technology Day.
- Upon acceptance into MassBay, you will be admitted as a General Health Sciences student working toward meeting the admission requirements.

*All Health Sciences students must meet their intended major's admission requirements to be considered for admission into the program.*

### **STEP 2: ATTEND AN INFORMATION SESSION**

Please click on this link for upcoming [Allied Health Profession Programs Information Session Schedule](#)

### **STEP 3: COMPLETE ALL RT ADMISSION REQUIREMENTS**

You must complete all admission requirements as outlined on the RT Day program application. Once you have fulfilled all items as indicated, submit your completed application to the Office of Admissions. **Please note that it is the applicant's responsibility for assuring that the application is complete and submitted by the application deadline.** If any of the required items are **incomplete or missing** at time of submission, your application will not be processed and you will not be considered for the program.

#### **Wellesley Campus Admissions**

50 Oakland Street  
Wellesley Hills, MA 02481-5307  
Tel: 781.239.2500  
Fax: 781.239.2508

#### **Framingham Campus Admissions:**

19 Flagg Drive  
Framingham, MA 01702-5928  
Tel: 508.270.4059  
Fax: 508.270.4110

## Radiologic Technology Day Program Application

First and Last Name: \_\_\_\_\_

MassBay ID: \_\_\_\_\_

Contact Number \_\_\_\_\_

Email: \_\_\_\_\_

**PLEASE INCLUDE WITH APPLICATION:**

**High School diploma, GED/HiSET or College degree (or have a copy in their student records) and MassBay Transcripts**

I understand that the application:

- **priority deadline is February 15, 2018;**
- new applications will be accepted until May 30, 2018, or until program is full;
- must be submitted in person to the Office of Admissions (Wellesley or Framingham); and
- reviewed by an Admissions Counselor

*\*Acceptance of applications may be discontinued **without notice**.*

**Application Instructions:** The applicant **must** complete each item on this application to be considered for the RT program. Your initials confirm that you have met each requirement. Submit your completed application to the Office of Admissions.

Admission Requirements		
Checklist Item	Important Information	<b><u>Applicant: initial below when complete (NOTE: Requirements are considered incomplete if in progress, scheduled, or requested)</u></b>
Attended a mandatory information session	Applicants must have attended a Mandatory Information Session <u>prior</u> to submission of application. Upcoming dates can be found at <a href="#">Nursing and Allied Health Profession Programs Information Session Schedule</a> .	Applicant Initial: _____ Date Attended: _____
Math	Grades of "C" or better in an appropriate college level Math course are required. <b><u>Circle ONE of the following you completed:</u></b> ✓ MassBay Placement into College Algebra (MA102) ✓ MassBay Placement into Pre-Calculus Math (MA104) ✓ Completion of Intermediate Algebra (MA 098) ✓ Equivalent Transfer of College-Level Math (from another college)  <i>*Consideration will be given to students who have completed college level algebra or higher</i>	Applicant Initial: _____

English	<p>Grade of "C" or better in the appropriate Freshman English course, no time limit. <b>Circle ONE of the following you completed:</b></p> <ul style="list-style-type: none"> <li>✓ MassBay Placement into Freshman English I (EN101)</li> <li>✓ Completion of College Writing (EN 100)</li> <li>✓ Equivalent Transfer of College-Level English Composition</li> </ul>	Applicant Initial: _____
Reading Assessment Test	<p><b>Circle ONE of the following you completed:</b></p> <ul style="list-style-type: none"> <li>✓ Reading Assessment Test grade of "72" or higher</li> <li>✓ Waiver (already holding a degree) from U.S. College or University.</li> <li>✓ For more information click on <a href="#">Register for Placement Testing</a></li> </ul>	<p>Applicant Initial: _____</p> <p>Contact MassBay's Academic Achievement Center at 781-239-2620 to schedule the test.</p>
Anatomy and Physiology ("A&P")	<p>Grade of "C" or better in the appropriate college A&amp;P I &amp; II courses, 5-year time limit at time of evaluation. <b>Complete BOTH of the following courses:</b></p> <p>* Note: BI 101 is a prerequisite</p> <ul style="list-style-type: none"> <li>✓ *A&amp;P I (BI 215) previously BI 115, both are equivalent</li> <li>✓ A&amp;P II (BI 217) previously BI 116, both are equivalent</li> <li>✓ Equivalent transfer course(s)</li> </ul> <p><i>*Though core science courses can be taken concurrently, consideration will be given to students who have completed all core science courses</i></p>	Applicant Initial: _____
Official transcripts from <b>all</b> Colleges/Universities previously attended	<p>I have submitted official transcripts from <b>all</b> Colleges/Universities previously attended.</p> <p><i>* If you are currently registered, or have completed additional courses, you will submit/have submitted your final transcripts</i></p>	Applicant Initial: _____
Mailing Address	<p>The address on my student account profile is current and all correspondences will be sent to this address.</p> <p><i>* It is the applicant's responsibility to update their contact information via Bay Navigator</i></p>	Applicant Initial: _____

**Radiologic Technology Program Immunization and Related Health Requirements:**

<p>Students in the program are required to obtain certain immunization and health records and submit documentation thereof by published deadlines which are program-specific and determined by clinical rotation start dates. Immunization requirements are in accordance with clinical site requirements and Massachusetts state law. Although not an admissions requirement, submission of immunizations is required for participation in the program. Failure to have completed this step as explained in the below pages by the due date shown will result in the student being withdrawn from the program. Students who are withdrawn will be considered for readmission at a later date. The applicant's initial here indicates an acknowledgement of this requirement.</p>	Applicant Initial: _____
---	--------------------------

## Important Program Information

### Evaluation Information:

Priority for RT admission is given to students who have already completed all core science courses as well as college level algebra; and applicants having the highest overall grade point average (GPA) with a strong consideration of the student's core science course grades.

### Additional Important Information:

1. **If you are accepted** you **MUST** attend a **Mandatory Orientation** in the first week of November, or thereabouts, during which time you will receive program specific information.
2. **The program anticipates accepting approximately 13 students for Fall 2018.** The decision options in response to your completed application are: accepted to the program or denied admission to the program. Admission decisions are sent by U.S. Postal to the address on your student profile.
3. **Background Checks.** All MassBay Health Sciences program students whose course-work or clinical placement requires direct access to children, elderly, patients, disabled or other at-risk populations, must submit to a Massachusetts criminal offender records inquiry (CORI) and Sexual Offender Records Inquiry (SORI) and a national inquiry through National County Records Search. The purpose of the background checks are to ensure public safety and avoid unacceptable risk to vulnerable populations. If any background check report is returned with a finding(s), it may or may not prohibit progression in a Health Sciences Program.
4. **Disability Accommodation.** Please contact MassBay's [Office of Disability Services](#) for review and approval.
5. **Licensure.** Acceptance or enrollment into the program does not guarantee a student will pass the certification examinations prepared by the American Registry of Radiologic Technologists (ARRT), or become a Radiologic Technologist. For more information visit [American Registry of Radiologic Technologists \(ARRT\)](#)
6. **Science Course 5-year time limit.** *Please check with Office of Admissions or Advising for program specific information regarding science courses*

## Confirmation Statement

I confirm that I have read, reviewed, and understand the information provided in this application including the health and background check requirements/deadlines included in the following pages\*. By providing my signature below, I certify that I have met the admission requirements for consideration into the Radiological Technology Day Program.

Applicant Signature: \_\_\_\_\_ Date: \_\_\_\_\_

**FOR OFFICE OF ADMISSIONS ONLY- DO NOT WRITE UNDER THIS LINE**

*Admissions Counselor- Please stamp application with date received below.*

## MassBay Community College Health Sciences Program Immunization and Related Health Requirements

Health Sciences students are required to keep their immunization and tuberculosis surveillance status up-to-date by following the guidelines set forth by the Centers for Disease Control and Prevention (CDC) for health care personnel.

**BEFORE** beginning the program, the following immunizations or documentation of immune status and tuberculosis (TB) screening are required for all Health Sciences students who have contact with clients, patients or blood/body fluids as part of their usual training responsibilities.

### Definitions

**Hepatitis B** - One of the following is required to verify Hepatitis B immunity:

A positive antibody titer\* (physician verification of results required) if you've previously received the three vaccinations.

**or**

Three (3) vaccinations (0, one month, and five months apart) AND a positive antibody titer\* (physician verification of results required) taken 1 - 2 months after the 3<sup>rd</sup> vaccination.

*It is acceptable to attend clinical **ONLY IF** you have verified three vaccinations and are waiting to receive the titer unless the clinical affiliating agency to which you are assigned specifically requires a Hepatitis B titer.\**

**Tuberculosis (TB)** - One of the following is required to verify the initial requirement:

Two-step TB Skin test (1 - 3 weeks apart);

- Step I is PPD "implant" is injected into the forearm then, In 2 - 3 days, this must then be "read" as negative and documented by a clinician;
- Step II occurs within 3 weeks of completing Step I when student returns to the clinician's office for a second "implant", and then returns 2 - 3 days after to have this implant read and documented as negative by the clinician.

\* Once student has completed both steps I and II with a negative result, only a single (1-step) TB implant is required annually.

**or**

QuantiFERON or T-Spot (IGRA blood tests for use in diagnosing TB) lab report or physician verification of results.

**or**

Chest X-ray - If you have a positive TB Skin test or IGRA blood test result, you must submit documentation of a clear (negative) chest x-ray (lab report or physician verification of results required) dated within past 5 years, **AND** a negative symptom review check from your healthcare provider dated within the past year (required annually thereafter).

**Tetanus & Diphtheria (Td) or Tetanus/Diphtheria/acellular Pertussis (Tdap)** - Documentation of a Tdap within the past 10 years or a Td booster within the past 2 years is required.

**Measles, Mumps, Rubella (MMR) 2-Dose Vaccine or Titers\*** - There must be documentation of either a positive antibody titer for all 3 components OR documentation of each vaccination component. If titer is negative or equivocal, 1 booster plus a new titer is required.

**Varicella 2-Dose Vaccine or Titer\*** - There must be documentation of either a positive antibody titer for Varicella OR documentation of vaccination. If titer is negative or equivocal, 1 booster plus a new titer is required.

**Seasonal Influenza vaccine (when available)** – Submit documentation of a flu shot administered during the current flu season OR a declination waiver. The waiver form can be found on your Certified Background account and through the Division of Health Sciences. Waiver criteria may vary according to the Health Sciences program and supporting documentation may be required. It is highly

recommended to take the Flu vaccination as early as possible, but not later than October 15<sup>th</sup>. Students who cannot be immunized for the flu will be required to wear a mask in clinical settings. Programs will require students to submit documentation of vaccination (or meet the waiver requirements) each year because it is required by their practicum or clinical placement sites.

**Report of Physical Examination & Immunization Record** - This form (available for download under your CertifiedBackground account and found on the Division of Health Sciences' pages of the MassBay website) requires the student's signature authorizing the release of immunization information to clinical affiliating agencies. It also requires your physician to fill in confirmation of immunizations you've received and your physical exam results within the past year.

*\* Titers are laboratory blood tests to determine immunity to specific diseases. They are not immunizations.*

**Certified Background/Profile** - To track the health requirements of our students, we use an online document tracking system from CertifiedBackground/Profile, a third party company that facilitates both the storage and review of all health records associated with MassBay's health program students. Certified Background/Profile will send you email "alerts" when documentation is missing, incomplete, overdue or in need of updating. Authorized Division of Health Sciences staff refer to Certified Background/Profile data to determine whether a student is in compliance with all requirements to attend clinical. **MassBay's Division of Health Sciences does not accept, review, or maintain student health records.** Additionally, submission of medical records to MassBay's Office of Student Development as a student in General Health Studies does **not** fulfill requirements for Health Sciences students. If you are accepted into the program, you will be required to create a CertifiedBackground/Profile account which is where you will maintain all of your health and immunization records.

### Other Related Requirements

**CPR Certification** – The CPR certification that is acceptable for health students is the "Basic Life Support for Health Care Providers" from the American Heart Association (AHA), the American Red Cross, or the equivalent from the Military Training Network or the National Safety Council. Students are responsible for taking a class to complete this certification, with the exception of Emergency Medical Technician (EMT) and Central Processing Technology (CPT) students. Student provides a front & back signed copy of the card the American Heart Association wallet-sized card that identifies him/her as CPR certified. Certificate of American Red Cross course completion is acceptable in lieu of wallet-sized card.

**Technical Standards** - Students must meet certain physical demands of performance so that they can successfully progress in their course work and ultimately graduate. This form (available for download under your CertifiedBackground account) is completed & signed by the student.

**Acknowledgement of Student Handbook Form** – This form (available for download under your CertifiedBackground account) is completed by the student and signed. The MassBay Health Sciences program Handbooks are updated each academic year and the final version will be available for review in the fall. Students are responsible for reviewing and understanding any changes made to their respective program Handbook during the entire time student is enrolled.

**Background Check** – A national county records search is also conducted through CertifiedBackground. All MassBay health sciences program students whose course-work or clinical placement requires direct access to children, elderly, patients, disabled or other at-risk populations, must submit to a Massachusetts criminal offender records inquiry (CORI) and Sexual Offender Records Inquiry (SORI) and National CORI / SORI inquiry through National County Records Search. The purpose of the background checks are to ensure public safety and avoid unacceptable risk to vulnerable populations. The student must complete the CORI and SORI forms (provided at orientation) to authorize a search of records for past criminal or sexual offenses.

**Additional Notes:** Students who refuse to be vaccinated due to religious or medical reasons should discuss their particular circumstances with the program Chairperson **BEFORE** applying.

## Program Due Dates for Uploading Documents to CertifiedBackground\*\*

<u>Program</u>	<u>Program Type</u>			<u>Semester Start</u>			<u>Health Document Due Date(s)</u>
	<u>Day</u>	<u>Evening (or Afternoon)</u>	<u>Week end</u>	<u>Fall</u>	<u>Spring</u>	<u>Summer</u>	
<u>Nursing - ADN Day</u>	<u>X</u>			<u>X</u>			<u>Aug1st</u>
<u>Nursing - PN Day</u>	<u>X</u>			<u>X</u>			<u>Aug1st</u>
<u>Surgical Technology - Day</u>	<u>X</u>			<u>X</u>			<u>Aug 30th</u>
<u>Surgical Technology - Eve</u>		<u>X</u>			<u>X</u>		<u>Feb 6th</u>
<u>Central Processing Technology</u>		<u>X</u>		<u>X</u>	<u>X</u>	<u>X</u>	<u>Aug 30<sup>th</sup> (for Fall), Jan 3<sup>rd</sup> (for Spring), May 15<sup>th</sup> (for Summer)</u>
<u>Rad Technology - Flex</u>		<u>X</u>			<u>X</u>		<u>Aug 1st before Yr 2</u>
<u>Rad Technology - Day</u>	<u>X</u>			<u>X</u>			<u>Aug1st</u>
<u>Paramedicine - Day</u>	<u>X</u>			<u>X</u>			<u>Aug 30<sup>th</sup></u>
<u>Paramedicine - Eve</u>		<u>X</u>			<u>X</u>		<u>Mar 15th</u>
<u>EMT - Day</u>	<u>X</u>			<u>X</u>	<u>X</u>	<u>X</u>	<u>Aug 30<sup>th</sup> (for Fall), Feb 1st (for Spring), May 15<sup>th</sup> (for Summer)</u>
<u>EMT - Afternoon</u>		<u>X</u>		<u>X</u>	<u>X</u>		<u>Aug 30<sup>th</sup> (for Fall), Feb 1st (for Spring)</u>
<u>EMT - Eve</u>		<u>X</u>		<u>X</u>	<u>X</u>		<u>Aug 30<sup>th</sup> (for Fall), Feb 1st (for Spring)</u>
<u>Phlebotomy</u>	<u>X</u>		<u>X</u>	<u>X</u>	<u>X</u>	<u>X</u>	<u>Aug 30<sup>th</sup> (for Fall), Mar 1st (for Spring), May 15<sup>th</sup> (for Summer)</u>
<u>Nurse Assistant</u>		<u>X</u>	<u>X</u>	<u>X</u>	<u>X</u>	<u>X</u>	<u>Oct 24<sup>th</sup> (for Fall), Mar 1<sup>st</sup> (for Spring), July 1<sup>st</sup>, (for Summer)</u>

All MassBay Division of Health Sciences students enrolled in a program that includes a clinical component must be fully compliant with all health and background check requirements by the designated program/semester due dates.

\*\*You will receive your CertifiedBackground login information at your program's orientation.
