

Journey Through North America is a unique opportunity and exciting way for students to learn about North American life and culture through classroom lectures, videos, journals, and on-site travel. Students will receive an overview of North American culture and history, geography, government, and basic rights and freedoms. Students will study North American symbols and national holidays; exploring its people and culture. This course includes an off-site travel component (learning lab) where you will visit historical landmarks and museums and participate in professionally guided tours in your choice of cities.

Program Requirements

Students must take **BOTH** a MassBay class (ALL days) and an East Coast EdVentures trip to earn a certificate of completion for 3 Continuing Education Units.

A certificate will not be issued if the full program is not completed.

When you have completed BOTH the class and the trip; please fill out a certificate request at:
