2018 INFORMATION SECURITY SUMMIT

MassBay Community College and Towerwall, Inc. invite you to join us for our 6th Annual *Information Security Summit!*

AFTERNOON KEYNOTE
Bob Bragdon
SVP & Publisher,
CSO

The Information Security Summit is a regional event with the goal of giving participants from New England an update on the latest developments, trends, and status in information security. With the growing popularity of disruptive technologies, including mobility and cloud computing, social networking, and big data analytics, the accompanying data security and privacy issues become fundamental concerns. Industry experts will be invited to share their experience and knowledge.
