Students can make an appointment with a disability specialist, provide appropriate documentation of the disability, and request accommodations that will facilitate academic success.

Disability specialists collaborate with faculty, providing guidance to students in the areas of self-advocacy, applying learning strategies for academic success, advising during course enrollment, and finding mentoring and support opportunities.

ACADEMIC AND TRANSFER ADVISING
FRAMINGHAM, Room 104B, 781-239-2775
WELLESLEY HILLS, Room 113, 781-239-2775

Academic advising is a collaborative educational process between students and their advisors that is designed to support students’ academic success. An academic advisor is assigned to each full-time student; this advisor may be a member of the faculty, professional staff or Academic and Transfer Advising Center staff. Part-time students are generally assigned to the Academic and Transfer Advising Center. Academic advising provides students with the opportunity to build a relationship with their advisor in order to:

• Explore available academic options, including choice of major.
• Develop an educational plan consistent with a student’s life goals and objectives.
• Learn about the resources and support services offered at the College.
• Choose classes each semester, appropriate for graduation and transfer requirements.

The advisor-advisee relationship is based upon shared responsibility. Though the students are ultimately responsible for the choices they make in college, the College realizes that in order to make informed decisions, students need mentoring and the advice of academic advisors and others in the College community. A student’s academic advisor is a primary resource regarding academic issues, programs and opportunities.

STUDENTS SHOULD EXPECT THAT ADVISORS WILL:
• Encourage self-reliance by helping students make informed and responsible decisions, set realistic goals and develop thinking, learning and life management skills.
• Be knowledgeable about the resources, policies and procedures of the College.
• Give accurate and timely information.
• Maintain regular office hours and keep appointments.
• Respect the rights of students to have information about them kept confidential.

WE EXPECT THAT STUDENTS WILL:
• Be familiar with the College Catalog and Student Handbook and knowledgeable about College policies and procedures.
• Be familiar with the requirements of the major they select, schedule courses each semester in accordance with those requirements and be aware of the prerequisites for each course being selected.
• Observe academic deadlines - know when to register and when to add/drop or withdraw from courses.
• Monitor and keep a record of their academic progress.
• Take the initiative to contact their advisors, set up appointments and keep them.
• Inform their advisors of any changes in their academic program, progress, and goals.

WHAT IF I CAN’T FIND MY ADVISOR?
We encourage you to email or call your advisor. If you experience difficulty in connecting with your advisor, contact the department in which your advisor works. Lastly, you can contact the Academic and Transfer Advising Center and we will be able to assist you.

HOW DO I CHANGE MY SCHEDULE?
Changes without penalty may be made until the end of the add/drop period, either online or in person. The add/drop period is usually the first week of classes; however, you should consult the academic calendar to determine the exact dates in a given semester. If you withdraw from a class after the add/drop period, you will be required to pay for a percentage of all of the courses from which you withdrew, and you will receive a ‘W’ on your official transcript.

WHAT HAPPENS WHEN REQUIRED COURSES ARE OFFERED ONLY ONCE A YEAR OR THEY CONFLICT WITH OTHER COURSES WHICH ARE REQUIRED FOR GRADUATION?
The College makes every effort to ensure that students who have remained “on track” are offered courses required to complete their degree or certificate requirements. Contact your academic advisor if a problem arises.
TRANSFER ADVISING
MassBay is committed to assisting students in furthering their education beyond the Associates Degree. The Academic and Transfer Advising Center is well equipped with resources to assist students in making informed choices about their academic plans in order to make a smooth transition to a 4-year institution.

The Academic and Transfer Advising Center provides the following resources and services for students interested in transfer:

- Transfer Workshops
- Transfer Fairs
- Walk-in hours and appointments
- Comprehensive website with resources for exploration

MASS TRANSFER
MassTransfer is a state-wide initiative that facilitates the transfer of community college students into Massachusetts State universities and the Umass campuses. MassTransfer can be utilized in the following ways:

- Commonwealth Commitment

ATHLETICS
WELLESLEY HILLS, Recreation & Wellness Center, 781-239-2664
The College is committed to providing a quality intercollegiate athletics program for all students interested in participating. Students who maintain a full-time status (12 credit hours per semester) and a cumulative GPA of at least 2.0 are eligible to participate on an intercollegiate team. There are exceptions to this rule. Students who are interested but not full-time students should contact the Athletics Director for more information. Those programs include baseball, soccer, basketball and golf.

The College also offers several club and intramural activities. Students enrolled in six (6) or more credit hours per semester are eligible for club programs and all students are eligible to participate in the intramural program. Club programs are made available depending on student interest. The Department of Athletics also sponsors several intramural athletic activities including volleyball, indoor soccer, and basketball.

Whether you are a full-time or part-time student, there is an athletics program that fits your schedule. Intercollegiate teams routinely practice daily with one or more contests per week during their playing season. Club teams generally practice less and schedule a shorter playing season. Intramurals are more of a “drop in” schedule without the travel required for club or intercollegiate teams.

The Department’s main goal is to provide a safe environment where student athletes can excel in the classroom as well as in the athletics arena.

MassBay is a member of the Massachusetts Community College Athletic Conference and the National Junior College Athletic Association. Student athletes compete for state, regional and national honors and championships. Coaches and players abide by all Conference standards and ethics regarding eligibility and sportsmanship. All MassBay students are admitted free to all home athletics events.

STUDENT-ATHLETE ADVISORY BOARD
The Student-Athlete Advisory Board (SAAB) is a group of student-athletes representing each varsity sport at MassBay. The purpose of the organization is to promote all MassBay sports and provide student-athletes the opportunity to impact those issues that affect their daily lives.

Members of each team will nominate and select an eligible student-athlete to represent their sport on the SAAB. An alternate will also be selected in the event that the designated representative cannot attend a meeting. It is expected that each team will be represented at each meeting.
Throughout the year, student-athletes are encouraged to communicate ideas and concerns to the respective representative of their sport.

GOOGLE APPS (E-MAIL AND MORE)

This is a Google Apps account and allows you access to the free applications offered by Google. It is critical that you check this e-mail regularly as it is the primary way in which MassBay communicates. Student e-mail accounts are used as the primary communication by the College to provide students emergency messages, official notices, and other important College-related notifications.

ONLINE EDUCATION
Online Education is appropriate for highly self-disciplined and self-motivated students who have regular access to a computer and high-speed Internet connection. Students learning online must be comfortable with technologies such as email, the Internet, electronic documents, opening and sending file attachments, and the College’s course management system, Blackboard.

Online courses are equivalent to campus-based courses in terms of academic rigor and credit, and follow the official academic Day calendar.

Online Education courses are not self-paced courses but cover the same material as campus-based courses and follow a weekly schedule. These courses typically include class discussions (usually via a discussion board),
instructional media, written assignments, projects, and deadlines just as you would find in campus-based courses.

There are two designations of courses that fall under Online Education methods. They are, fully online courses and hybrid courses.

Fully online courses do not require regular class time on campus, although they may include an on-campus orientation session or proctored examinations. Some online courses may also include real-time online sessions with the instructor and other students.

Hybrid courses contain a blend of classroom instruction and online activities. They feature regular class times on campus, but have reduced seat time requirements. The online instruction portion of these courses are similar to the instruction in fully online courses.

Information about the requirements for each specific Online Education course is included in the course syllabus.

WIRELESS INTERNET CONNECTION

The MassBay Student wireless network can be connected to with your MassBay network credentials, it offers greater bandwidth and access to internal resources. FINANCIAL ASSISTANCE
OFFICE OF FINANCIAL AID
FRAMINGHAM, Room 100, 508-270-4010
WELLESLEY, Room 111, 781-239-2600

The Financial Aid Office assists all prospective and enrolled students with the financial aid process. Financial assistance to help meet basic college expenses such as tuition, fees and books may be available to qualified students. Financial aid awards can consist of federal grants, loans, or work study funds, as well as state, local, or private sources of funding. Applicant eligibility and program guidelines may differ.

HOW DO I FIND OUT IF I AM ELIGIBLE FOR FINANCIAL AID?
To determine eligibility, students must first complete a FAFSA (Free Application for Federal Student Aid) which is available online at www.fafsa.gov.

Once the Financial Aid Office has received and processed your completed application, you will be notified of your eligibility by email. It is important that students complete the FAFSA before the priority deadline of May 1, so that your financial aid award can be determined prior to the start of the Fall semester.

Financial aid eligibility is determined by strict state or federal guidelines. Financial aid packages may include grants, work-study, and student loans.

HOW MANY CREDITS ARE NEEDED TO RECEIVE FINANCIAL AID?
Most aid programs require that your enrollment be at least half-time, which is six (6) credits or more per semester, in order to receive aid for that semester. However, some grants are available to less than half-time students. Changes in your enrollment can affect the amount of aid you may receive, and the periods of time you may be eligible to receive it. If you change your plans, please notify the Financial Aid Office in writing or by email of your new enrollment plans.

DO I HAVE TO COMPLETE THE FINANCIAL AID PROCESS TO RECEIVE A STUDENT LOAN?
Yes. Students must complete a FAFSA in order to receive a federal student loan. However, there are a variety of banks and private lenders who offer alternative loans for financing education costs for students and their families which do not require completion of this form.

MassBay strongly encourages students to exhaust all federal forms of financial aid before seeking funding from private loan sources. The terms and conditions of private loans, including the interest rates, fees, repayment terms and approval requirements are generally less favorable. Private loans require an applicant to be credit-worthy. If you do decide to apply for a private loan, MassBay recommends starting the application process in early June in order to assure that you have ample time to complete required paperwork by the start of Fall semester.

I DON’T THINK I CAN FILL THIS OUT ON MY OWN, IT LOOKS COMPLICATED; CAN SOMEONE HELP ME?
Yes, complete the FAFSA to the best of your ability first, and then call or visit the Financial Aid Office with any specific questions you may have. The online form is user-friendly and allows you to save your information periodically to avoid losing the work you have already done, and to be able to leave the website and return exactly where you left off. We also invite you to attend one of our hands-on FAFSA workshops which are held each spring.
**WHEN WILL I RECEIVE MY MONEY?**

Funds are typically credited to a student’s account after the add/drop period each semester following financial aid staff review of students enrollment status, a process which occurs 4-6 weeks into the semester.

If the funds received exceed the bill owed to the College, the College may issue the student a refund check. Please note that the financial aid award sent out is tentative, pending a review of the student’s enrollment status after the add/drop period.

**DO I NEED TO APPLY FOR FINANCIAL AID EVERY YEAR?**

Yes, financial aid is awarded on an annual basis. Application materials (FAFSA) for the upcoming year are available after January 1 at www.fafsa.gov. Students should complete the process as early as possible to receive priority consideration for all funds available. May 1 is the priority deadline.

Please note that you may use estimated tax information to complete the FAFSA if your taxes are not yet complete, and make subsequent corrections online if needed.

**I RECEIVED FEDERAL WORK STUDY ON MY AWARD LETTER. WHAT IS THAT?**

Federal Work Study is a program in which students have a job on-campus and are paid with federal funds. There are also limited off-campus opportunities.

Students are eligible to earn up to the amount indicated on their award letter. Students typically work no more than 15 hours per week, although exceptions can be made in cases where both the department and the student would benefit from a different arrangement.

**ARE PRIVATE SCHOLARSHIPS AVAILABLE?**

Outside scholarships from private, local and national sources can be important in assisting you with paying for college. They may be awarded based on a number of factors including financial need, academic merit, artistic or musical talent, interest in a particular field of study and other factors. The Financial Aid Office does not award any private outside scholarship funds.

To find out about local private scholarships that may be available to you, check with your school counselor, employers, civic groups, public libraries, community organizations, local chamber of commerce office, and the Internet. Contact our office and we can suggest websites where students can search and apply for private scholarship opportunities.

**WHAT IF I AM NOT ELIGIBLE FOR FINANCIAL AID, BUT NEED FINANCIAL ASSISTANCE?**

There are several alternative options available to you. The Student Accounts Office offers a payment plan, which divides the bill into monthly installments. Also, the Financial Aid Office can suggest alternative loan options through private lenders in the event that you do not qualify for a federal student loan. These alternative loans would require credit approval by the private loan company. Please visit the Financial Aid Office or the College website for further details.

**FOOD SERVICES**

FRAMINGHAM, Cafeteria, 3rd Floor
WELLESLEY HILLS, Cafeteria, 1st Floor

Looking for a bite to eat? Full service cafeterias are available on the Framingham and Wellesley Hills campuses. Hours are posted at each location and at www.massbay.edu/Current-Students/Cafeteria.aspx. There are also vending machines at all three locations offering an array of food and beverage options.

**GRADUATION (OFFICE OF THE REGISTRAR)**

The Office of the Registrar processes all Graduation Applications, issues the final approval for all graduates, and determines “Honors” status for Associate degree students.

All diplomas/certificates will be held for students who, although they may have completed all graduation requirements, have outstanding balances owed to the College. All diplomas/certificates will be held for students who have requisite holds on their student accounts or student records.

Students may submit graduation applications until the posted deadline and expect to have their name printed in the Commencement program book. Graduation applications received after the deadline will be processed, but the student names may not be printed in the Commencement program book, and those students may not receive diplomas/certificates at the same time with other graduating students.
HEALTH INSURANCE INFORMATION

The Massachusetts Universal Health Insurance Law requires students registered for nine (9) or more credit hours (or for students in an allied health program) participate in College student health insurance.

Students can opt out of the participation by providing proof of comparable coverage. To be considered comparable, services covered under their own health insurance plan must be reasonably accessible to the student in the area where the student attends school (Massachusetts 114.6 CMR 3.00).

To verify if your insurance meets these qualifications as comparable coverage, please visit www.massbay.edu, click on the Admissions and Financial Aid tab, select Tuition Information, then Student Accounts from the drop down list. Scroll to midway down the page and click on Health Insurance & Mass PIRG then click on the link to Mass Bay’s insurance broker, Arthur J Gallagher & Co, www.commonwealthstudent.com.

If you elect to take the health insurance provided by the College, you must pay your premium in full before any claims will be honored. Coverage is effective Sept. 1-Aug. 31 or Jan. 1-Aug. 31, depending on your enrollment date and your credit load. Additional information regarding services may be found at www.commonwealthstudent.com.

If you elect to not participate in the health insurance provided by the College, you must complete the health insurance waiver form online. You can do so by logging into Bay Navigator, clicking on Self Service, Campus Finances and Waive Health Insurance and filling out the waiver form. You will receive a confirmation email of your submission.

I ALREADY WAIVED MY INSURANCE LAST YEAR, WHY DO I HAVE TO DO IT AGAIN?

Insurance coverage is renewable and must be waived each academic year, beginning in September or January 1 through August 31.

All waivers must be completed on-line and you will receive a confirmation email right away. If you do not receive a confirmation email, your waiver was not submitted and you will be charged for the health insurance. If you have any problems or questions, please contact the Office of Student Accounts for assistance.

I AM GETTING BILLED FOR A CLASS (OR CLASSES) I DID NOT ATTEND. WHAT DO I DO?
Lack of attendance or course abandonment does not constitute course withdrawal. Students who do not withdraw in accordance with the College’s procedures are subject to payment of tuition and fees according to the college’s withdrawal policy. If there are unusual or extenuating circumstances that prevented you from completing coursework for a term, you should contact the Student Accounts Office regarding the Financial Petition Review process as you may be able to submit a financial petition, along with supporting documentation. The Financial Petition Review Committee will review the petition. If appropriate, adjustments will be made to your account.

I HAVE FINANCIAL AID, SO WHY AM I STILL BEING BILLED?
The Financial Aid Office may not have finalized your financial aid award yet or your financial aid award may not be sufficient to cover all of your tuition, fees and book charges. Review the charges on your bill. There may be charges on the bill that certain types of financial aid will not cover. When applicable, be sure to review the fees that could be waived, such as health insurance. You should refer to your financial aid award letter to determine what may still be owed to the College or contact the Financial Aid Office to verify that your application is complete and has been processed.

WHAT IS THE TEXTBOOK ENDOWMENT FUND?

Full-time and part-time students are eligible to apply for funds. This is a $5/semester fee on your bill. This fee may be waived by logging on to the Self Service section of Bay Navigator, choose the Campus Finances, then Waive Fees.

WHAT IS MASSPIRG FEE?

For an emergency, dial the public safety office at extension 2222 from any on-campus telephone or 781-239-2222 from your cell phone, or 911. Red emergency telephones are also strategically located in Framingham and Wellesley Hills common areas. State your name, location, and nature of the emergency.

EMERGENCY NOTIFICATION SYSTEM
In the event of a manmade or natural disaster on one of our campuses, the ability to provide the MassBay community with timely, accurate information is vitally important. The College has implemented an emergency notification system (ENS), which will enable College officials to send students, faculty and staff who provide the college with voice, email, and cell phone based text messaging contact information, critical information in a matter of minutes.

In order for you to receive these important text messages, email alerts and/or voice alerts, you must provide the College with your preferred email, landline phone, and/or mobile phone information. This can be done by completing the emergency notification information on your Bay Navigator self-service system.

The ENS system will only be used to distribute information regarding manmade or natural emergencies that dictate immediate action. An emergency is a situation which poses an immediate risk to the health and safety of the campus community or significantly disrupts its programs and activities. Examples of alerts include:

- Cancellation of classes due to a weather emergency.
- A fire or a water or chemical leak requiring the evacuation of the building.
- An ongoing criminal incident requiring the community members to take action to ensure their safety.

The message will direct you to take appropriate action and will explain where to go for further information. The College will also send periodic test alerts to ensure the system remains operational.

SECTION IV: INSTITUTIONAL POLICIES

ABSENCE POLICY

ABSENCE DUE TO HOSPITALIZATION
Any student who takes a medical leave from the College, or is hospitalized while enrolled at MassBay, must present her or himself for a re-entry interview to determine when and how it is appropriate to resume his or her studies. When ready to return to the College, the student should contact Student Development in order to set up the re-entry interview, and may not return to classes until being cleared to do so.

When the College is first informed of the student’s hospitalization, the College will place a general “hold” on the student’s registration, pending the College’s decision on the student’s re-entry. Throughout the process, the highest level of confidentiality will be maintained. Detailed procedural information regarding this process is available through Student Development.

ABSENCE DUE TO JURY DUTY
According to the Office of the Jury Commissioner of the Commonwealth of Massachusetts, “Juror Service in participating counties shall be a duty which every person who qualifies under this chapter [Chapter 234A] shall perform when selected” (https://malegislature.gov/Laws/GeneralLaws/PartIII/TitleII/Chapter234A/Section3).

Students who must miss class in order to fulfill their jury service requirement should notify each of their instructors and make arrangements to complete any missed work. Students may be required to furnish their summons notice or the certificate of service when making these arrangements. Further information can be found in the Office of Jury Commissioner’s website at www.massjury.com.

ABSENCE DUE TO PREGNANCY
In accordance with Title IX of the Educational Amendments of 1972, absences due to pregnancy or related conditions, including recovery from childbirth, shall be excused for as long as the student’s doctor deems the absences to be medically necessary. When the student returns to the College she shall be reinstated to the status she held when the leave began, which includes the opportunity to make up any missed work. The College may offer the student alternatives to making up missed work, such as retaking a semester, taking part in on-line instruction, or allowing the student additional time in a program to continue at the same pace and finish at a later date.

ABSENCE FOR ACTIVE MILITARY DUTY
Students who are called to active United States Military Duty shall, upon verification, be granted exceptional consideration for making up any missed work should their service cause a temporary interruption in the semester. Students who are unable to complete a semester because they are called to active United States Military Duty shall, upon verification, be granted non-punitive withdrawals in all courses from which they are required to withdraw. Students may also submit a Student Financial Petition for a refund with the Office of Student Accounts.

Verification shall be provided by furnishing the Dean of Students, Registrar, or the Veteran & Military Services Coordinator with a copy of the Order to Active Duty within one week (7 days) of receipt of the Order.

Students who have received any form of Financial Aid, including a scholarship or student loan, or who expect to receive such, must contact the Office of Financial Aid and the Veteran & Military Services Coordinator to make appropriate arrangements.

ABSENCE FOR RELIGIOUS REASONS
If you are unable to attend classes, take an examination or fulfill academic requirement on a particular day due to your religious beliefs, MassBay is required under the Massachusetts General Laws, Chapter 151C to excuse you from your academic obligation. You are encouraged to speak with your instructor prior to your absence. You will be provided with an opportunity to make-up, provided that such make-up does not create an unreasonable burden for MassBay.

ALCOHOL AND DRUG USE
MassBay is committed to promoting responsible decision making related to alcohol and other drug use. Students are prohibited from using alcohol or drugs in any form on campus. Any student found to be under the influence of, in possession of, or in distribution of alcoholic beverages, illegal drugs, or other controlled substances at the College will be subject to disciplinary action including probation and/or dismissal. If you are concerned
about your behavior and would like to discuss this, please contact Counseling Services in Student Development at 781-239-3142. In a crisis, call the Alcohol and Drug Hotline at 1-800-327-5050.

ANIMALS/PETS ON CAMPUS
Due to health and safety issues, no pets or animals are allowed on campus or in College buildings. The only exception to this rule is for animals that are used for assistance, such as guide dogs. Please see MassBay’s Service Animal Policy on pg. 33. If you have any questions or need clarification please contact the Office of Disability Resources.

APPEALS PROCESSES
PLEASE NOTE THAT THESE ARE THREE DISTINCT PROCESSES:

COLLEGE APPEALS BOARD FOR READMISSION (STUDENT DEVELOPMENT)
If you have been academically dismissed from the College, you may appeal for reinstatement through the College Appeals Board process. Appeal forms are available in Student Development. Students may only appear before the College Appeals Board one time for reinstatement.

FINANCIAL PETITION (OFFICE OF STUDENT ACCOUNTS)
The financial petition process is to request a refund if you have had to withdraw from the College or classes, due to extenuating circumstances. These appeals are processed through the Office of Student Accounts and certain restrictions apply. Financial petition forms are available in the Office of Student Accounts.

GRADE CHANGES AND CHALLENGES – GRADE APPEAL (OFFICE OF THE VICE PRESIDENT OF ACADEMIC AFFAIRS)
Course grades are assumed to be correct. It is the responsibility of the student who appeals an assigned grade to demonstrate clerical error, prejudice or capriciousness in the assignment of a grade; otherwise, the judgement of the faculty member is final.

You may appeal a grade by following the Student Grievance Procedure within this Handbook. To be considered, appeals to grades must be initiated within 30 calendar days following the last day of the instructional period for which the grade was granted. For a more detailed description, please see pg. 53.

ATTENDANCE POLICY
It is important to your academic success that you attend all classes in which you are enrolled and make up any work due to absences. For each course, your instructor will establish policies regarding class and/or laboratory absences, and make-ups (if any). Your instructor will include these policies in the course syllabus. Your course instructor has full and final authority to allow make-up work and/or absences.

If you miss more than five (5) class hours, your instructor has the right to withdraw you from the course by notifying the Registrar. Students may not take or re-take a class without proper registration and payment.

If you are enrolled in the Nursing and Health Professions programs at MassBay, you must follow the policies that have been developed to meet the requirements of the relevant accrediting agencies. To ensure your successful completion of the program and accreditation requirements, attendance in all health programs is mandatory for classes, laboratory sessions, and clinical affiliations.

If you have clinical clock hour requirements, you should speak with your instructors about class and clinical attendance policies. Absences may be cause for program withdrawal. Refer to the Health Profession Handbook for more information specific to Division of Health Sciences policies.

Students enrolled in Automotive Technology program on the Ashland campus must follow the program attendance policy as outlined in the course syllabi distributed by your divisional faculty.

As with all MassBay students, Automotive Technology program and Division of Health Sciences students who are enrolled in courses outside the division of their major must comply with the attendance policy stated on that course syllabus.

BOOK RETURN AT THE COLLEGE BOOKSTORE
Students have seven (7) days from the start of the semester to return a book with the sales receipt for a full refund as long as the book is in its original condition. Books purchased after this period must be returned with the sales receipt within two days for a full refund. Starting with midterms, all texts purchased are final sales.

CANCELLATION OF CLASSES

If classes at MassBay are cancelled due to weather conditions, an announcement will be made as early as possible using several methods of communication.

The College will activate the emergency notification system, notifying the community via voicemail, text, and email. The announcement will also be broadcast to local television stations (Channels 4, 5, 7 and 25), the College website, and on the College's Facebook and Twitter pages. An update will also be provided to the main College switchboard (781-239-3000). If no announcement is made concerning class cancellation, classes will be held.

The College's Emergency Notification System enables College officials to send students, faculty, and staff voicemails, emails, and text messages with critical information in the event of an emergency, including such information as school closures or delays.

Unless you choose to opt out of receiving these important notices, the College will use the contact information you provided in your application to the College. To update your contact information, please take a moment to fill out the emergency notification information on your Bay Navigator self-service system (baynavigator.massbay.edu).

CHILDREN AND GUESTS ON CAMPUS (STUDENT DEVELOPMENT)

The College realizes that unexpected circumstances may arise when it may be necessary to bring your children to campus. When this occurs, the College expects that you keep children with you so they do not disturb the operations and activities of the College. You may not leave children unsupervised on campus. Guests and children should not be brought to a class without prior permission by the faculty member.

Guests serving as academic coaches or note-takers require accommodations approval from the Office of Disability Resources.

CORI/SORI
Any MassBay Health Sciences program student whose coursework or clinical placement activity requires direct access to children, elderly, patients, or disabled or other at-risk populations, must submit to background checks. These include a CORI (Criminal Offender Record Information) check, a SORI (Sexual Offender Registry Information) check, and a National County Records Search. Acceptance or enrollment in a Health Sciences program does not in any way guarantee a student will be allowed licensure. It is the student’s responsibility to work with the appropriate state licensing board to determine eligibility to sit for a licensing examination. The purpose of these checks is to ensure public safety and avoid unacceptable risk to vulnerable populations.

CORI and SORI results are confidential. CORI reports are stored securely at the Division of Health Sciences’ offices and may be kept for up to seven years. A student may obtain a copy of their CORI report by contacting the Division of Health Sciences.

If a CORI, SORI, and or National County Records Search report is returned with a finding(s), it may or may not prohibit progression in a Health Sciences Program. The finding(s) will be forwarded to a College-wide Review Committee and the student will be invited to the review session. HAZING

Hazing is a crime in Massachusetts. “Hazing”, under Massachusetts General Laws, Chapter 269, Section 17, is defined as “any conduct or method of initiation into any student organization, whether on public or private property, which willfully or recklessly endangers the physical or mental health of any student or other person. Such conduct shall include whipping, beating, branding, forced calisthenics, exposure to the weather, forced consumption of any food, liquor, beverage, drug or other substance, or any other brutal treatment or forced physical activity which is likely to adversely affect the physical health or safety of any student or other person, or which subjects such student or other person to extreme mental stress, including extended deprivation of sleep or rest or extended isolation”. Section 18 of this Chapter states that “whoever knows that another person is the victim of hazing as defined in Section 17 and is at the scene of such crime shall to the extent that such person can do so without danger or peril to himself or others, report such crime to an appropriate law enforcement official as soon as reasonably practical”. Hazing is strictly prohibited at MassBay.
HEALTH INSURANCE (OFFICE OF STUDENT ACCOUNTS)

The Massachusetts Universal Health Insurance Law requires that students registered for nine (9) or more credit hours (or for students in an allied health program) participate in college student health insurance unless they certify that they have comparable coverage. To be considered comparable, services covered under the health insurance plan must be reasonably accessible to the student in the area where the student attends school (Massachusetts 114.6 CMR 3.00).

You must complete the waiver form by your bill’s due date or at the time of registration in order for the health insurance to be removed from your bill. If you elect to take the health insurance provided by the College, you must pay your bill in full before any claims will be honored. Additional information regarding services may be found at www.commonwealthstudent.com. Insurance coverage is renewable and must be waived each academic year.

IDENTIFICATION CARDS

FRAMINGHAM, Room 316, 508-270-4014
WELLESLEY HILLS, Library, 781-239-2610

All students are required to obtain a MassBay photo identification card (ONECARD) that serves as their official College identification. The MassBay Student ID card (ONECARD) must be carried at all times and may not be used by anyone other than the student named on the card; it remains the property of the College and must be surrendered to the College upon demand. When necessary, students are required to identify themselves and to show their MassBay Student ID at the request of a College official (this includes, but is not limited to, admission to exams, buildings, and College events). Alteration or use of the card for any unauthorized purpose will result in confiscation and/or disciplinary action.

IMMUNIZATION (STUDENT DEVELOPMENT)

Massachusetts General Law requires all full-time students, international students and all students in a health science program who have contact with patients to obtain a physician’s certificate that the student has received the following immunizations:

1. Two doses of live measles, mumps, and rubella vaccine given at least four weeks apart beginning or after 12 months of age;
2. A single dose of Tdap (tetanus, diphtheria and pertussis) vaccine if it has been more than five years since the last dose of Td (tetanus diphtheria). If it has been less than five years since the last dose of Td, Tdap is not required.
3. Three doses of Hepatitis B; and
4. Two doses of the Varicella vaccine given at least four weeks apart.

The requirements shall not apply where:

1. The student provides written documentation that he or she meets the standards
2. For medical or religious exemption;
3. The student provides appropriate documentation, including a copy of a school immunization record, indicating receipt of the required immunizations; or
4. In the case of measles, mumps or rubella, hepatitis B, or varicella, the student presents laboratory evidence of immunity (titers).

Students enrolled in a health science program shall also comply with immunization requirements outlined by the Division of Health Sciences.

Immunization records are to be submitted to Student Development. Please submit them as soon as possible as state law requires that the immunization forms be submitted within 30 days of the start of the semester. Please note immunization records are retained by the College for five (5) years. For more information please contact Student Development.

JUDICIAL RECORDS

A file will be maintained in Student Development on each case presented to the College’s judicial system according to FERPA. The file will include all related documents and correspondence. All information contained in Student Development files shall be confidential, but may be shared with employees of the College designated as “school officials” as defined by FERPA and having a “legitimate educational interest” in the student information.

The written transcript of a College Judicial Board (CJB) case can be accessed (limited to viewing the written record of the CJB hearing in Student Development area) by both the complainant and respondent in order to formulate an appeal.

For students applying to professional schools, transfer institutions, governmental agencies, or the military, requests for such information are routinely made on student applicants. As part of the application process to these programs,
students often provide formal permission for the release of confidential information. It will be assumed that a request for a Dean’s recommendation provides implied permission for release of this information.

FERPA decisions regarding disciplinary cases are shared with College officials with a “legitimate educational interest” and with Complainants on a “need to know” basis. When an incident involves violence, the Complainant may be informed of the judicial decision.

LIBRARY

Some library services are restricted to authorized use only by MassBay faculty and staff, registered MassBay students, and others designated by the appropriate and authorized College official. All students must provide a MassBay Student ID in order to use the library services. Students may borrow books for 21 days with one renewal of 21 days.

Academic use of, and access to, the library is granted by the Director of Learning Services. Non-academic use of, and access to, the library is granted by the Office of Special Events and Director of Learning Services only. The library will be locked when not scheduled for use.

LOCKERS (FACILITIES)

Food may not be stored in lockers overnight. Locks and locker contents must be removed by the last day of the Spring semester.

PARKING (OFFICE OF PUBLIC SAFETY)

On-campus parking is available to all MassBay students. You must register your vehicle with the Office of Public Safety. At that time, you will receive a parking sticker to display on your vehicle. The cost of the parking sticker is included in student fees.

• Pedestrians always have the right of way in the College parking areas.
• Drive under 5mph in parking lots or College roadways.
• Stop at all posted stop signs.
• The Public Safety staff members are appointed special officers of the Commonwealth of Massachusetts and are allowed to make arrests and issue parking tickets or citations for traffic and moving violations in accordance with the laws of the Commonwealth.

• Tickets that are issued will be filed with the Department of Motor Vehicles for enforcement.
• The College is not responsible for personal property left in vehicles in the parking lot.
• Overnight parking is not permitted.

PAYMENT & STUDENT ACCOUNTS (OFFICE OF STUDENT ACCOUNTS)

Students are responsible for their charges from the time of class registration. The Student Accounts Office will mail bills to the address on file; however, charges and payment information is accessible electronically by logging into Bay Navigator and accessing the Campus Finances tab.

Students are responsible for paying their account balance or they may be dropped from classes for non-payment. Registration and/or Fiscal holds will be placed on students’ accounts that have outstanding balances with the College. Students may not take or re-take a class without proper registration and payment.

PUBLIC SAFETY

Emergency response procedures are posted conspicuously throughout each campus. In case of a fire alarm, evacuate the building immediately. For an emergency, dial the public safety office at extension x2222 from any on-campus telephone or 781-239-2222 from your cell phone. Red emergency telephones are also strategically located in Framingham and Wellesley Hills common areas. State your name, location, and nature of the emergency.

SEX OFFENDER INFORMATION

In accordance with Federal law, the College is required to notify the campus community where information concerning registered sex offenders may be obtained.

In order to access information pertaining to registered sex offenders enrolled or employed at the College, please contact:

Commonwealth of Massachusetts

STUDENTS “RIGHT TO KNOW”
MassBay is required by the Student Right to Know and Campus Security Act to provide information about its campus safety policies, procedures and statistics concerning criminal activity on campus. Brochures containing this information are available at the Office of Public Safety, Human Resources and on the College website.

COLLEGE EMERGENCY NOTIFICATION SYSTEM
In the event of a manmade or natural disaster affecting one of the campuses, the ability to provide the MassBay community with timely, accurate information is vitally important.

The College has implemented an emergency messaging system (EMS), which will enable College officials to send students, faculty and staff voice, email, and cell phone based text messaging with critical information in a matter of minutes.

In order for you to receive these important text messages, email alerts and/or voice alerts, you must provide the college with your preferred email, landline phone, and/or mobile phone information. This can be done by completing the emergency notification information on your Bay Navigator self-service system.

This system will only be used to distribute information regarding manmade or natural emergencies that dictate immediate action. An emergency is a situation which poses an immediate risk to the health and safety of the campus community or significantly disrupts its programs and activities. Examples of alerts include:

- Cancellation of classes due to a weather emergency.
- A fire or a chemical leak requiring the evacuation of the building.

The message will direct you to take appropriate action and will explain where to go for further information. The College will also send periodic test alerts to ensure the system remains operational.

The Recreation & Wellness Center, Framingham Gymnasium, and Athletic Fields are restricted to authorized use only by MassBay faculty and staff, registered MassBay students, and others designated by the appropriate and authorized College official. These facilities are scheduled by the Office of Special Events and the Athletic Director only.

SERVICE ANIMAL POLICY AND ANIMALS/PETS ON CAMPUS
Due to health and safety issues, pets or animals are not allowed on campus or in College buildings. The only exception to this rule is for animals that are used for assistance, such as a service animal. MassBay Community College generally permits service animals assisting individuals with disabilities in all facilities maintained by the College. Therefore, an individual with a disability shall be permitted to be accompanied by his/her service animal in all areas of the College’s facilities where members of the public are permitted. The College reserves the right to impose restrictions on the use of service animals on its property in order to maintain safety or to avoid disruption of College operations.

This policy applies only to facilities owned by the College or under its control. Please be advised that there may be restrictions imposed on the use of service animals in non-college facilities, such as hospitals, science laboratories or other clinical or internship experience locations. Such restrictions are established by the individual facilities according to their own policies and procedures and the College has no control over such restrictions.

“SERVICE ANIMAL” DEFINED
The Americans with Disabilities Act’s regulations define “service animal” as any dog that is individually trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. Other species of animals, whether wild or domestic, trained or untrained, are not service animals for the purposes of this definition. However, in certain instances, the use of other animals as a service animal may be permitted under other laws so please consult with the College’s Disability Services Officer.

TYPE OF WORK OR TASKS A SERVICE ANIMAL MAY PROVIDE
Work or tasks performed by a service animal must be directly related to its handler’s disability. Examples of work or tasks performed by service animals include, but are not limited to:
- assisting individuals who are blind or have low vision with navigation and other tasks;
- alerting individuals who are deaf or hard of hearing to the presence of people or sounds;
- providing non-violent protection or rescue work;
- pulling a wheelchair;
- assisting an individual during a seizure;
- alerting individuals to the presence of allergens;
- retrieving items such as medicine or the telephone;
- providing physical support and assistance with balance and stability to individuals with mobility disabilities; and
- helping persons with psychiatric and neurological disabilities by preventing or interrupting impulsive or destructive behaviors.

Services that do not qualify as work or tasks performed by a service animal include:
- crime deterrent effects; or
- the provision of emotional support, comfort, or companionship, often referred to as “therapy” or “companion” animals.

SERVICE ANIMAL DOCUMENTATION
Consistent with state law, all dogs on campus shall:
- possess an animal license in compliance with Massachusetts law;
• be properly immunized and vaccinated; and,
• wear a current license and rabies vaccination tag.

It is recommended that a service animal wear some type of recognizable symbol identifying it as a service animal. However, there is no requirement for documentation to prove that the animal has had particular training or is a “certified” service animal.

REGISTRATION OF A SERVICE ANIMAL ON CAMPUS
When practicable, a student or employee seeking to use a service animal is requested to notify the Office of Disability Services prior to bringing the animal on to College property. A service animal’s handler will be asked to complete a voluntary Service Animal Registration Form and an Acknowledgement of Responsibility and Waiver of Liability Agreement. These documents shall be maintained confidentially by the College. If the animal qualifies as a service animal, the handler will voluntarily agree to comply with this policy at all times while the animal is on College property. Members of the general public intending to visit the college with a service animal should notify the College’s Office of Disability Services in advance when practicable. Specific questions related to the use of service animals on College property can be directed to the Office of Disability Resources at (781) 239-2626.

PERMISSIBLE INQUIRIES ABOUT A SERVICE ANIMAL
It is permissible for the College to make the following inquiries in order to determine whether an animal qualifies as a service animal:
• Is the animal required because of a disability?
• What work or task is the animal trained to perform?

The College shall not inquire about the nature or extent of a person’s disability. Further, the College shall not make these inquiries about a service animal when it is readily apparent that an animal is trained to do work or perform tasks for an individual with a disability (e.g., the dog is observed guiding an individual who is blind, pulling a person’s wheelchair, or providing assistance with stability or balance to an individual with an observable mobility disability).

CONTROL OF A SERVICE ANIMAL
The College is not responsible for the care or supervision of a service animal. A service animal must be under the control of its handler at all times. A service animal shall have a leash or other tether, unless the handler is unable because of a disability to use a leash or other tether, or the use of such would interfere with the service animal’s safe, effective performance of its work or tasks. Under those circumstances where a service animal is not tethered, the service animal must be otherwise under the handler’s control (e.g., voice control, signals, or other effective means).

HEALTH, HYGIENE AND CLEANLINESS
Service animals must be clean. Daily grooming and occasional baths should be utilized to keep the animal’s odor to a minimum. Adequate flea prevention and control must be maintained. If a service animal’s odor is offensive to other individuals, the handler will be requested to bathe the service animal prior to returning to the College. A service animal’s handler must clean up after the animal. If due to a disability the handler is unable to do so, the handler shall make alternative arrangements to do so.

EXCLUSION OF A SERVICE ANIMAL FROM COLLEGE PROPERTY
The College may direct an individual with a disability to remove a service animal from the premises if the animal:
• is out of control and its handler does not take effective action to control it (including the animal poses a direct threat to others on campus and/or exhibits behavior that interferes with the educational process);
• is not housebroken, is ill, or presents a reoccurring offensive odor; and/or
• is not properly licensed and/or vaccinated.

If the College excludes a service animal from its premises, it shall still afford the individual with a disability the opportunity to participate in its programs or activity without having the service animal on the premises.

PUBLIC ETIQUETTE RULES
Members of the public should avoid:
• petting a service animal as it may distract the animal from its work;
• feeding a service animal;
• deliberately startling a service animal;
• calling or attempting to attract the attention of a service animal; and
• attempting to separate a service animal from its handler.
violence, and stalking. Copies of these procedures are available in the Office of Human Resources, Labor Relations, Compliance and Affirmative Action which is located on the Wellesley Hills Campus in room 228. The Board of Higher Education, Massachusetts Community College Policy on Affirmative Action can be accessed at www.mass.edu/forfacstaff/affirmativeaction/documents/CC_EqualOpportunityPlan(2015).pdf

SEXUAL MISCONDUCT POLICY

REPORTING SEXUAL MISCONDUCT
A survivor of sexual misconduct/assault, domestic violence, dating violence, or incidents of stalking priority should be to get to a place of safety and to obtain necessary medical treatment.

MassBay Community College strongly advocates that the survivor report the incident in a timely manner. Time is critical for evidence collection and preservation as well as to assure the medical treatment/well-being of the survivor and safety of the campus community. Whenever possible, a report of an assault should be reported directly to MassBay Community College Office of Public Safety or to the local law enforcement agency serving the campus. The MassBay Public Safety Emergency line is (781) 239-2222 or dial extension 2222 from any on-campus phone.

As a recipient of Federal funds, MassBay Community College is required to comply with Title IX of the Higher Education Amendments of 1972, 20 U.S. C. s. 1681 et seq. (“Title IX”), which prohibits discrimination on the basis of sex in education programs and activities. Sexual misconduct is defined as a form of sexual discrimination prohibited by Title IX. Reports of sexual misconduct are reported to the Title IX coordinator.

A Title IX investigation will immediately be initiated in appropriate circumstances whether or not the issue is the subject of a criminal investigation.

The Title IX investigation is separate from any criminal investigation but may run simultaneously. A dual investigation may ensue.

The complaint procedure within the College will be conducted as confidentially as reasonably possible, to protect the privacy rights of all individuals involved, however information regarding the complaint may be shared with the parties, witness or others on a need-to know basis.

Full information regarding Title IX grievance procedures can be found in the Commonwealth of Massachusetts, Board of Higher Education, Massachusetts Community College Policy on Affirmative Action at: www.mass.edu/forfacstaff/affirmativeaction/documents/CC_EqualOpportunityPlan(2015).pdf

Reporting requirements and policies include incidents which occur on campus, during approved school sponsored events (on or off campus) and incidents that occur while in travel using school sponsored transportation. Additionally, the College reserves the right to investigate conduct which may adversely affect the College Community; possess a threat of harm to the College Community; interferes with the College’s pursuit of its educational objective and mission; and or if a student or employee is charged with a violation of state or federal laws.

To report an event of Sexual Misconduct, you should contact the College’s Title IX Coordinator.

The legal definition of sexual harassment is broad and in addition to the above examples, other sexually oriented conduct, whether it is intended or not, that is unwelcome and has the effect of creating a work or educational environment that is hostile, offensive, intimidating, or humiliating to another may also constitute sexual harassment.

While it is not possible to list all those additional circumstances that may constitute sexual harassment, the following are some examples of conduct which if unwelcome, may constitute sexual harassment depending upon the totality of the circumstances, including the severity of the conduct and/or its pervasiveness:

- Unwelcome sexual advances - whether they involve physical touching or not.

Smoking any tobacco product or use of e-cigarette, vaporizer or inhaler is prohibited inside all MassBay buildings but is permitted on campus grounds in designated areas only. No smoking is allowed within 25 feet of entrance-ways, doorways, or windows of MassBay buildings.

STUDENT ACTIVITIES

Policies related to student clubs and organizations are outlined separately in the Club & Organization Handbook which is available at Student Development and on the College website.

STUDENT GOVERNMENT ASSOCIATION (SGA)

All enrolled students at MassBay are members of the Student Government Association (SGA). Each semester, college wide elections are held for the student body to choose their officers, who comprise the student government senate. You must be in good academic and disciplinary standing to assume and continue to hold a leadership position on the SGA or in a club. Other specific rules and guidelines for the Student Government Association are outlined in the SGA Constitution.

STUDENT RECORDS, CONFIDENTIALITY OF (OFFICE OF THE REGISTRAR)

FERPA: STUDENT NOTIFICATION OF RIGHTS

The Family Educational Rights and Privacy Act (FERPA) afford students certain rights with respect to their educational records. In addition to this Student Handbook, complete information about student rights under this Act is explained in the Massachusetts Bay Community College Catalog. These rights are as follows:

INSPECTION AND REVIEW

Students have the right to inspect and review their education records within 45 days of the day the College receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the College official to whom the request was submitted does not maintain the records, that official shall advise the student of the correct official to whom the request should be addressed.

CHALLENGE OF RECORDS

Students have the right to request the amendment of student’s education records that the student believes are inaccurate or misleading or otherwise in violation of the student’s privacy rights under FERPA.

A student who wishes to ask the College to amend should write the College official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

RECORD DISCLOSURE

Students have the right to provide written consent before the College discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

The College discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests.

A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted as its agent to provide a service instead of using College employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the College discloses education records without consent to officials of another school in which a student seeks or intends to enroll.
As of January 3, 2012, the U.S. Department of Education’s FERPA regulations expand the circumstances under which your education records and personally identifiable information (PII) contained in such records — including your Social Security Number, grades, or other private information — may be accessed without your consent. First, the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or state and local education authorities (“Federal and State Authorities”) may allow access to your records and PII without your consent to any third party designated by a Federal or State Authority to evaluate a federal- or state-supported education program. The evaluation may relate to any program that is “principally engaged in the provision of education,” such as early childhood education and job training, as well as any program that is administered by an education agency or institution. Second, Federal and State Authorities may allow access to your education records and PII without your consent to researchers performing certain types of studies, in certain cases even when we object to or do not request such research. Federal and State Authorities must obtain certain use-restriction and data security promises from the entities that they authorize to receive your PII, but the Authorities need not maintain direct control over such entities. In addition, in connection with Statewide Longitudinal Data Systems, State Authorities may collect, compile, permanently retain, and share without your consent PII from your education records, and they may track your participation in education and other programs by linking such PII to other personal information about you that they obtain from other Federal or State data sources, including workforce development, unemployment insurance, child welfare, juvenile justice, military service, and migrant student records systems.

DIRECTORY INFORMATION
Students have the right to be notified annually by the College of what student record information the College designates as “directory information,” and the right to request that no student information be designated as directory information. The College identifies the following student information as directory information: Name, Mailing and Permanent Address, Electronic Mail Address, Telephone Numbers, Date and Place of Birth, Awards, including Dean’s List, Full/Part-time status, Major/Program of Study, Semesters of Attendance, Whether or Not Currently Enrolled, Date of Actual or Expected Graduation, Degree/Certificate Attained, participation in officially recognized activities and sports sponsored by the College, weight and height of athletic team members, and photograph. Directory information may be released by the College to a requesting third-party without a student’s prior written consent.

A student has the right to request that none or only some of his/her student record information be designated as directory information. A student must notify the College's Registrar, in writing, within two (2) weeks of the beginning of each academic semester if he/she does not wish to have any or some of his/her student information designated as directory information.

Notwithstanding the College’s definition of directory information, the Department of Defense (the “DOD”), pursuant to the Omnibus Consolidated Appropriations Act of 1997 (the “Solomon Amendment”), identifies the following information as “student recruiting information”: NAME, ADDRESS, TELEPHONE LISTING, AGE (or year of birth), PLACE OF BIRTH, LEVEL OF EDUCATION (e.g., freshman, sophomore), DEGREE AWARDED, MOST RECENT EDUCATIONAL INSTITUTION ATTENDED, and CURRENT MAJOR(S).

If the College receives a request for student recruiting information from the DOD, or one of its affiliated agencies, the College will release the student recruiting information requested. Because the information sought by the DOD may include information not designated as directory information under the College’s policy, compliance with the DOD’s request may result in the release of personally identifiable information. When student recruiting information is released pursuant to a DOD request, notice of the request and the release of the information will be posted in a conspicuous location in the College’s Registrar’s Office for a period equaling one academic year.

If a student has exercised his/her right to request that no information be designated as directory information, then no information shall be released to any third party, including the DOD.

RIGHT OF COMPLAINT

You must do that either online via Bay Navigator student center or in-person at the Enrollment Centers on the Wellesley Hills or Framingham campus by submitting the appropriate drop/withdrawal forms.

After the Add/Drop period has ended, if you wish to withdraw from the College by withdrawing from all your courses, you must notify the Office of Student Development.

Failure to comply with the above may result in charges and academic penalties. Students may not take, or re-take, a class without proper registration and payment. The withdrawal date is determined by the date all forms are completed and turned into the appropriate offices.

WITHDRAWAL FROM COLLEGE (STUDENT DEVELOPMENT)
A student intending to withdraw from class(es), when there are no remaining class(es) for the semester enrolled, must meet with the Dean of Students, or his/her designee, to complete the withdrawal process.

ISSUED: APRIL 2008
REVISED: SEPTEMBER 1, 2010
REVISED: APRIL 12, 2016
INTRODUCTION

MassBay Community College recognizes that all students, as members of the college community, enjoy the freedom of speech and assembly, freedom of association, freedom of the press, right of petition and the right of due process. These rights do not come without responsibilities and respect for others in the College community. Attendance at the College is a privilege and not a right, and enrollment carries with it obligations in regard to conduct, both in and out of class. Students are responsible for knowing and understanding the contents of this Code. Students are responsible for abiding by the laws governing the College and are expected to observe standards of conduct set by the College.

LEARNING OUTCOMES

The College expects its students to act in a mature and responsible manner. Respect for the rights of others, openness to new and challenging ideas, civility and courtesy are examples of this expectation. The Code of Conduct process is intended to be an educational process that supports the mission of the College. This policy is therefore intended to promote personal responsibility, integrity and ethical decision making. Students who participate in this process should achieve the following learning outcomes:

• Understand how the Code supports the goals and mission of the College;
• Understand the possible impact of their choices on their academic and personal success;
• Accept personal responsibility for the choices and decisions made and the impact of their behavior on the College community;
• Reflect on their ethical obligations as a student in the College community;
• Recognize the value of the student conduct process as an educational opportunity; and
• Identify ways to address their behavior so it does not negatively impact their educational goals or the community in the future.

APPLICATION OF THE CODE OF CONDUCT

The Code of Conduct shall be used to address student disciplinary offenses as referenced in this policy. The Code of Conduct applies to student conduct, which occurs at the College, in any of its facilities, on any of its grounds or at any College related activity regardless of location. Under certain circumstances, the Code may also apply to off-campus conduct. Each student shall be responsible for his/her conduct from the time of admission through the actual awarding of a degree, before classes begin and after classes end, and during periods between terms of actual enrollment. The Code of Conduct shall apply to a student’s conduct even if the student withdraws from the College while a discipline matter is pending.

DISCRIMINATION, SEXUAL HARASSMENT, AND SEXUAL VIOLENCE

This Code shall not be used to address complaints of discrimination, sexual harassment and sexual violence, including Title IX offenses, such as rape, sexual assault, domestic and dating violence and stalking. Those complaints shall be investigated according to the College’s Policy on Affirmative Action, Equal Opportunity and Diversity by the College’s Affirmative Action Officer or Title IX Coordinator. For more information, please contact the College’s Affirmative Action Officer or Title IX Coordinator.

DEFINITIONS

**Accused Student** – The student who is alleged to have violated the Student Code of Conduct.

**Administrative Resolution** – A resolution of a complaint, which is mutually agreed upon by the CCA and the Accused Student. An Administrative Resolution shall be put in writing by the CCA, signed by the CCA and the Accused Student and maintained in a student’s disciplinary file. An Administrative Resolution shall result in an Accused Student waiving his/her right to a Judicial Board hearing or Appeal.

**Appeals Officer** – The College’s senior administrator responsible for student affairs or designee.

**Code of Conduct Administrator (CCA)** – The College official charged with the responsibility of administering the College’s Student Code of Conduct. A member of the Massachusetts Community College Council (MCCC) shall not be selected to serve as the CCA.

**College Property** – Includes all land, buildings, facilities, and other property in the possession of or owned, used, or controlled by the College, including adjacent streets and sidewalks.

**Complaint** – An allegation of a violation of the Code of Conduct, which is filed with or by the CCA.

**Day** – Shall mean a calendar day. The number of days indicated at each level shall be considered as a maximum. All reasonable efforts shall be made to expedite the process, but the CCA may extend the time limits at his/her discretion with notice to both parties in writing, including for inclement weather and/or College closures.

**Judicial Board** – Members of the College community selected by the CCA to conduct a hearing when it has been determined by the CCA that a violation of the Student Code of Conduct may have occurred. Members of the Judicial Board shall act in a fair and impartial manner.

**Preponderance of Evidence** – The evidentiary standard used in resolving a complaint filed under this Code’s Disciplinary Process. The standard is met if the proposition is more likely to be true than not true (i.e.; more probable than not). Effectively, the standard is satisfied if there is greater than 50 percent chance that the proposition is true.

**Sanctions** – Disciplinary sanctions under this policy shall include, but are not limited to:

- **Verbal Reprimand** – The lightest form of disciplinary action. A verbal warning may be documented in writing.
- **Written Reprimand** – An official written notice to a student that his/her conduct is in violation of College rules or regulations and will not be tolerated.
- **Restrictions/Loss of Privileges** – Restriction or loss of privileges as a student for a specified period of time, including but not limited to: attending College classes, events and/or activities; accessing College property or specifically designated areas; or participating in College organizations.
- **Community Service** – A student may be required to perform community service as a condition of attendance at the College.
- **Educational Sanction** – A student may be assigned an educational sanction, including but not limited to: preparing a reflection paper or apology letter, developing and presenting an educational seminar, participating in training programs, meeting with academic counselors, and/or researching and proposing alternative educational sanctions.
- **Restitution** – The assessment of financial charges or other forms of recompense for any damage or loss incurred by the College or any members of the College community.
- **Probation** – A student’s status at the College is in jeopardy due to one or more violations of the Code of Conduct. Probation is a more severe sanction than a reprimand. For the duration of a stated probationary period, a student must comply with College rules and regulations or other stipulated conditions or requirements. Unless expressly authorized by the CCA, a student on probation may not represent the College in any context, run for or hold office in any student organization.
organizations or participate in intercollegiate athletic teams, intramural programs, or any student clubs or organizations.

• **Suspension** – Temporary removal from the College or a program, without financial reimbursement, for a specified period of time. A suspended student may not enter College property and loses all privileges to participate in any College activities.

• **Expulsion** – Permanent separation from the College or a program without financial reimbursement. An expelled student may not be readmitted to the College or a program and a notation of expulsion from the College may be placed on the student’s official College transcript.

• **Student** – Includes all persons enrolled in courses at the College, both full-time and part-time, credit and non-credit. Persons who are not officially enrolled for a particular term but who have a continuing academic relationship with the College are considered “students.”

1. Physical violence and/or threats of physical violence.
2. Any conduct that threatens and/or endangers the health or safety of any person.
3. Creating or false reporting of bombs or other dangerous devices.

18. Verbal or physical harassment or intimidation.
19. Any unauthorized use of electronic or other devices to make an audio or video recording of any person(s) while on College premises or participating in a College-related activity without the person's

This includes, but is not limited to, surreptitiously taking pictures of another person in a locker room or restroom.

20. Acts of dishonesty, including but not limited to the following:
   • Forgery, alteration, or misuse of any College document, record, or instrument of identification;
   • Furnishing false information to any College official, faculty member or office; or
   • Disrupting or tampering with the election of any College recognized student organization.

21. Acts of academic dishonesty, including but not limited to the following:

   • Dependence upon the aid of sources beyond those authorized by the instructor in writing papers, preparing reports, solving problems, or carrying out other assignments;
   • The acquisition, without permission, of tests or other academic material belonging to a member of the College faculty or staff; or
   • Plagiarism, which is defined as the use, by paraphrase or direct quotation, of the published or unpublished work of another person without full and clear acknowledgement. It also includes the unacknowledged use of materials prepared by another person or agency engaged in the selling of term papers or other academic materials. Taking credit for work done by another person or doing work for which another person will receive credit. Copying or purchasing other’s work or arranging for others to do work under a false name.

25. Unauthorized activity that constitutes forgery.

26. Violation of state or federal laws not otherwise enumerated herein.

27. Violation of any College policies, rules, or regulations published in written copy or available electronically on the College’s website.

**DISCIPLINE FOR DISRUPTIVE CONDUCT**
Disrupting or interfering in the educational process in a class (or clinical site), is prohibited under this policy. If a student engages in disruptive conduct a faculty member or other College employee may address and resolve the matter informally without filing a complaint under the Code, including temporarily removing the disruptive student from a class (or clinical site). On the first occasion when a student is removed, the faculty member or other College employee is strongly encouraged to notify the CCA. In all subsequent cases of removing the same student from a class (or clinical site), the faculty member or other College employee shall notify the CCA. A faculty member or other College employee
may seek assistance from Public Safety if necessary to remove a student. A student may not be permanently removed from a class (or clinical site) for a conduct-related offense except upon referral to the CCA of a complaint for administration under this policy. The CCA can exercise his/her discretion to allow the accused student to attend class (or clinical site) during the disciplinary process upon consultation with the faculty member and the Chief Academic Officer or his/her designee.

**DISCIPLINE FOR ACADEMIC DISHONESTY**
This policy recognizes the right of faculty to manage their class, including addressing directly with students issues of academic dishonesty. When academic dishonesty is suspected, a faculty member may choose to issue a failing grade. If the student believes that there is substantial evidence of error or injustice associated with that grade, the student may file a grievance under the Student Grievance Procedure’s Grade Appeal Process. Alternatively, a faculty member may choose not to issue a grade, but rather refer the matter directly to the CCA for administration under this policy. However, where the issuance of a failing grade by a faculty member for academic dishonesty will result in a student’s dismissal from a program (for example in nursing and other health care programs), the charge of academic dishonesty shall be directly referred to the CCA for administration under this policy, which shall be completed, where practicable, within thirty (30) days.

**OFF CAMPUS BEHAVIOR**
The College reserves the right to take disciplinary action against a student for off-campus conduct when such conduct adversely affects the College community, poses a threat of harm to the College community; interferes with the College’s pursuit of its objectives and mission, and/or if a student is charged with violating state or federal law. Proceedings under this Student Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off-campus.

**INTERIM MEASURES**
Under certain circumstances during the Code of Conduct process interim measures may be imposed by the CCA including, but not limited to: no-contact orders, restriction/loss of privileges or interim suspension. The College reserves the right to issue an interim suspension when it reasonably concludes that a student:
- Poses a threat to others;
- Poses a threat to College property or equipment;
- Substantially disrupts or interferes with the normal operations of the College;
- Engages in off-campus conduct that adversely affects the College community; and/or
- Is charged with a crime in violation of state or federal law.

During an interim suspension, a student is prohibited from entering upon any College property and participating in any College activities.

**CODE OF CONDUCT DISCIPLINARY PROCESS**
The Disciplinary Process is initiated once a complaint is filed against a student by a member of the College community or by the CCA. This policy is not intended to prevent members of the College community from attempting to resolve matters informally. Failure to cooperate with the College’s investigation of an alleged Code of Conduct violation, including failing to appear for an Administrative Resolution meeting or a Judicial Board Hearing will result in discipline of the Accused Student by the CCA and a forfeiture of his/her rights to a hearing or appeal.

1. **DISCIPLINARY PROCESS**
- All complaints under the Code of Conduct shall be filed with or by the CCA.
- When the CCA files or receives a complaint alleging that a student has acted in a manner which may be in violation of the Code, the CCA initiates the disciplinary process by meeting with the Accused Student, putting him/her on notice of the alleged violation and providing him/her an opportunity to respond to the allegations. The CCA may conduct further investigation if necessary. Under certain circumstances during the Code of Conduct process interim measures may be imposed by the CCA.
including, but not limited to: no-contact orders, restriction/loss of privileges, or interim suspension, in a manner consistent with this Code.

• If the CCA determines that a violation exists, three procedural options are available.

  (1) Verbal or Written Reprimand - For low-level offenses, the CCA may issue a verbal or written reprimand to the Accused Student. Reprimands shall not be subject to a hearing before a Judicial Board or an appeal.

  (2) Administrative Resolution - An Administrative Resolution is reached only upon the mutual agreement of the CCA and the Accused Student. By accepting an Administrative Resolution, the Accused Student waives his/her right to a hearing before the Judicial Board or an appeal. If the CCA and the Accused Student cannot agree on an Administrative Resolution the matter proceeds to a Judicial Board hearing. Failure by the Accused Student to appear for an Administrative Resolution meeting with the CCA will result in discipline of the Accused Student by the CCA and a forfeiture of his/her rights to a hearing or appeal.

  (3) Judicial Board Hearing - When an Administrative Resolution cannot be reached, the CCA shall refer the alleged violation to a Judicial Board for a hearing. Please see Section 2 below for Judicial Board Hearing rules.

2. JUDICIAL BOARD HEARING

• A hearing with the Judicial Board shall be scheduled by the CCA not later than thirty (30) days following an Accused Student’s request for a hearing. If no hearing is requested, the hearing shall be scheduled by the CCA no later than thirty (30) days from the date of the Administrative Resolution meeting.

• A written Statement of Charges shall be presented to the Accused Student not less than five (5) days prior to the hearing.

• A Judicial Board hearing is an administrative hearing. The rules of evidence do not apply.

• In a matter involving more than one Accused Student, the Judicial Board may permit at its discretion individual hearings for each Accused Student.

• The Accused Student has the right to be accompanied by any advisor of his/her own choosing and at his/her own expense. The advisor may be another student, faculty member, administrator or an attorney. The advisor may not otherwise be involved in the proceedings. An advisor’s role is limited to advising the Accused Student directly and discretely. An advisor is not permitted to participate directly in the hearing.

3. CONDUCT OF HEARING

a. A hearing is normally conducted in private.

b. There shall be a record created of all hearings. The record shall be the property of the College.

c. All procedural questions are subject to the final decision of the Judicial Board.

d. Admission of any person(s) to the hearing shall be at the discretion of the Judicial Board.

e. A hearing shall proceed as follows:

  • The CCA presents the Statement of Charges on behalf of the College. The CCA may present documents, materials and/or witnesses in support of the Statement of Charges.

  • Accused Student responds to the Statement of Charges. The student may present documents, materials and/or witnesses in response to the Statement of Charges.

  • Following the parties’ presentations, the Judicial Board may question each party, their witnesses and/or review all information presented. The Judicial Board has the discretion to request additional documents, materials or information from either party.

  • While direct cross-examination by the parties is not permitted, each party will be given the opportunity to question the other by presenting questions through the Judicial Board. If the Judicial Board determines a question is relevant, the other party will be asked to respond.

  • The Judicial Board shall have a final opportunity to question the parties.
f. After the hearing, the Judicial Board shall determine by majority vote whether the Statement of Charges has been proven.

g. A Judicial Board's decision shall be based on a preponderance of evidence standard.

h. Within fifteen (15) days of the conclusion of a hearing, the Judicial Board shall issue a written decision outlining its findings and disciplinary action, if any, to the parties.

4. SANCTIONS

A student found in violation of the College's Code of Conduct shall be subject to sanctions (refer to pg. 44 for definitions), including but not limited to:

• Verbal or Written Reprimand
• Restrictions/Loss of Privileges
• Community Service
• Educational Sanction
• Restitution
• Probation
• Suspension
• Expulsion

A student who violates the Code of Conduct while serving any of the above sanctions shall be subject to further discipline, up to and including expulsion. The intent of the College is to impose sanctions in a progressive manner, beginning with the least punitive sanction. However, depending on factors, such as the nature and severity of a student’s violation and/or prior disciplinary history, the College reserves the right to impose any of the above-referenced sanctions at any time.

5. APPEAL

• Within five (5) days of receiving the Judicial Board’s decision, either the CCA or the Accused Student may appeal the Judicial Board’s decision to the College’s Appeals Officer.

• An appeal must be in writing and be based on a credible claim that: the hearing was not conducted in conformity with the Code of Conduct; the decision was not supported by a preponderance of the evidence presented; the sanction imposed was not appropriate in light of the Judicial Board’s decision; or new evidence exists, which was not presented at hearing because it was not reasonably known to the Accused Student at that time, and which is sufficiently relevant such that it could alter the Judicial Board’s decision.

• The Appeals Officer shall issue a written decision within ten (10) days of receiving the appeal. The Appeals Officer may accept, reject or modify the Judicial Board’s decision or sanction.

• The Appeals Officer’s decision shall be final.
SECTION IV: STUDENT RIGHTS AND GRIEVANCE PROCEDURE

STUDENT RIGHTS AND GRIEVANCE PROCEDURE

MassBay is committed to providing a collegiate atmosphere that allows individual freedom, rights and privileges to coexist with reasonable order. The College recognizes and will strive to protect the right of all students, faculty, administrators and staff members to be treated with respect, courtesy and fairness.

The information that follows applies to all MassBay students. Separate documents outline the community responsibilities related to faculty, staff and administrators. Effective July 1, 2001, all rights, responsibilities and procedures included in this section will be considered to be in effect. The College reserves the right to amend the policies and procedures relating to “Student Rights and Responsibilities” at any time giving reasonable notice of the changes.

STUDENT RIGHTS

Your basic rights as a MassBay student are outlined below. These rights were established by the College to help in your academic and personal development. When exercising these rights, you must do so in accordance with local, state and Federal laws, the rules and regulations of MassBay, and the Code of Student Conduct.

1. The Right to Individual Expression- Students have the right to express their ideas, thoughts, and opinions without fear of censure or retribution.

2. The Right to Governance and Participation- Students have the right to establish representative governmental bodies and to participate in College governance in accordance with the rules and regulations of MassBay.

3. The Right to Collective Expression- Students have the right to assemble in order to express themselves. This right extends to the press and broadcast media.

4. The Right to Academic Pursuit- Enrolled students have the right to an environment conductive to the pursuit of academic requirements and interests, and reasonable access to, and support of, faculty and staff.

5. The Right to Non-Discrimination- Students have the right to not be discriminated against by any agent, organization, or member of the MassBay community for reasons of age, ethnicity, national origin, gender, marital status, disability, race, religion, political/social affiliation, or sexual orientation.

This includes the right to review and challenge the content of educational records, to control disclosure of personal and academic information to third parties, and to limit the routine disclosure of all or some information defined as “directory information” by the College’s FERPA Notification of Rights Policy. This policy can be found in the College Catalog and the Student Handbook.

10. The Right of Access to College Documents- Students have the right to view and/or obtain any public College documents.

11. The Right to Fair Practice in Disciplinary Matters- Students have the right to a fair process to address all alleged violations of the Code of Student Conduct. MassBay’s judicial process follows procedures of “Fair Practice” as defined in the Code of Student Conduct. Fair Practice includes an initial interview.
with the person bringing the complaint to determine if judicial action is warranted and if so, an
interview with the student responding to the complaint, written notification of the alleged violation
of the Code of Student Conduct, an Administrative Disposition or College Judicial Board Hearing, and
the right of appeal.

12. The Right to Utilize a Grievance Procedure- Students have the right to a fair process to address
alleged violations of their rights.

Student Grievance Procedure (Revised 2013)

Policy Goal: Conflict Resolution

Before invoking the Student Grievance Procedure, a reasonable effort shall be made by those involved
in a dispute to resolve it amicably. A dispute is most effectively handled and resolved by those closest
to the problem, having the best understanding of the issues, and having the ability to formulate a
mutually acceptable resolution. Therefore, it is in the best interest of the student, the potential subject
of a Grievance, and the College to resolve disputes through open and cooperative dialogue. Only when
such efforts are unsuccessful should the Student Grievance Procedure be invoked. Throughout all phases
of the Student Grievance Procedure, all reasonable efforts shall be made to maintain confidentiality in
accordance with applicable law.

DEFINITIONS

1) Complaint: the informal, unwritten stage of an allegation of mistreatment.

2) Day: as used in this policy, shall mean a calendar day.

3) Grievance: a written grievance filed by a student with the person designated by the President as the
Student Grievance Officer specifically alleging an abridgment of his or her rights as a student.

4) Grievant: the student filing the Grievance. The Grievant must have been a registered student of the
College at the time of the alleged mistreatment.

5) Instructional Period: the academic semester, summer session or intersession when a grievable act or
omission occurs. The Instructional Period shall end on the last day of final exams.

6) Responding Party: the person against whom a complaint or Grievance is directed.

7) Senior Officer: senior level employee who reports to the President for the Responding Party’s work
area.

8) Student Grievance Officer: a College employee assigned responsibility for administering the Student
Grievance Procedure, including the maintenance of specified records. The Student Grievance Officer
shall ordinarily be the Senior Student Affairs Officer. If this individual is the person against whom the
Grievance is filed, the President shall designate another College official to act as the Student Grievance
Officer.

9) Substantial Evidence of Error or Injustice: for purpose of Grade Appeals, substantial evidence of
error or injustice is defined as:

• The assignment of a course grade to a student on some basis other than performance in the
course; or

• The assignment of a course grade to a student by resorting to unreasonable standards different
from those which were applied by the same instructor to other students in that course; or

• The assignment of a course grade by a substantial, unreasonable and unannounced departure from
the instructor’s previously articulated standards.

10) Time: the number of days indicated at each level shall be considered as a maximum. All reasonable
efforts shall be made to expedite the process, but the President or his/her designee may extend the time
limits in extenuating circumstances with notice to both parties in writing, or by mutual written agreement
between the Grievant and the Responding Party.

UTILIZING THE STUDENT GRIEVANCE PROCEDURE

The Student Grievance Procedure may be used by a student to address alleged abridgment of the
student’s rights, as stated in the College’s Student Handbook and/or Policy Guide. The student Grievant
or the Responding Party may consult with the Student Grievance Officer at any time. The College’s Student Grievance Officer is the Dean of Students, or his/her designee.

The Student Grievance Procedure may not be used to address allegations of discrimination, including sexual harassment. When a student believes that he/she has been discriminated against due to his/her race, creed, religion, color, sex, sexual orientation, gender identity, age, disability, veteran status, genetic information or national origin, the College’s Affirmative Action Grievance Procedure is a mechanism for resolution. The College’s Affirmative Action Grievance Procedure is contained in the College’s Affirmative Action Plan. The College’s Affirmative Action Officer is the Vice President of Human Resources, or his/her designee.

If a Grievance involves a grade dispute, a student shall process the Grievance in accordance with the Student Grievance Procedure. However, if a grade dispute raises issues of discrimination or sexual harassment, the Grievance should be processed in accordance with the College’s Affirmative Action Grievance Procedure and the Affirmative Action Officer shall conduct the process in collaboration with the Senior Academic Officer or designee.

Claims of physical or sexual assault shall not proceed under the Student Grievance Procedure. A claim of physical assault alleged against a student shall be reported to the Code of Conduct Officer. A claim of physical assault alleged against an employee shall be reported to the Human Resources Office. In both cases, law enforcement authorities shall also be notified. A claim of sexual assault shall be reported to the College’s Affirmative Action Officer and/or Title IX Coordinator and law enforcement authorities and shall proceed under the College’s Affirmative Action Plan. In matters involving physical or sexual assault, alleged victims are strongly encouraged to independently report the incident to the law enforcement authorities. The College’s Campus Police/Security Department can assist with the reporting process.

At any Level of the Student Grievance Procedure, either party may request mediation by contacting the Student Grievance Officer. Mediation shall be mutually agreed upon, and not unreasonably refused by either party. The Student Grievance Officer shall select an impartial mediator who shall be mutually agreed upon and not unreasonably refused by either party, make the arrangements, determine the timetable for the mediation process, and inform the parties of the timetable in writing. Where practicable, a mediation session shall be conducted no later than thirty (30) days after requested and agreed to by the parties. The purpose of mediation is to resolve the dispute to the satisfaction of both parties. If a mediated resolution cannot be achieved, the Grievant may proceed with the Grievance Process. The Grievant has the right to be accompanied by any advisor of his/her own choosing and at his/her own expense throughout the grievance process. The advisor may be an attorney. An advisor’s role is limited to personally advising the Grievant only. An advisor is not permitted to participate directly in any aspect of the grievance process.

Except for under extenuating circumstances, as determined by the President or his/her designee, failure by a party to comply with the Student Grievance Procedure during the course of a Grievance may result in the waiving of the noncompliant party’s rights under the Procedure.

LEVEL ONE – INFORMAL PROCEDURE
This is the informal stage where most complaints are resolved. The Grievant and the Responding Party should consult with the Student Grievance Officer at this time.

A Grievant initiates the informal phase of the Grievance process. The Grievant shall first present his/her complaint orally and informally to the Responding Party. This shall be done in a reasonable period of time, not exceeding thirty (30) calendar days following the instructional period when a grievable act or omission occurs.

The Responding Party must respond to the Grievant’s complaint within ten (10) days. Though this phase of the process is informal, the parties may present their positions in writing. If the matter is not resolved informally within ten (10) calendar days from the date a response to the complaint was due, the Grievant may proceed to Level Two.

LEVEL TWO – FORMAL PROCEDURE
Prior to filing a written Grievance at Level Two, a Grievant must consult with the Student Grievance Officer. The Responding Party should also consult with the Student Grievance Officer at this phase of the process.
Level Two – Step One

The Student Grievance Officer shall notify the parties in writing when a complaint is not resolved informally at Level One.

The Grievant may, within ten (10) calendar days after receipt of the Student Grievance Officer’s written notice, file with the Student Grievance Officer a Grievance. The Grievance shall contain the following information: the name and title of the person(s) against whom the Grievance is directed, a statement of all known facts, documents and materials supporting the grievance, a list of individuals who have information pertinent to the grievance, and the relief sought by the Grievant. All supporting documents, if any, shall be attached to the grievance as part of the Grievance. The Grievance shall also state the date it is filed and that it is being filed at “Level Two, Step One.”

The Grievance may be filed with the Student Grievance Officer by email, regular mail, certified mail, or in hand. Thereafter, the Student Grievance Officer shall deliver the Grievance, and all supporting documents, if any, to the Responding Party within five (5) calendar days. If the Responding Party is unavailable at the time the Grievance is filed, the Student Grievance Officer shall use reasonable means to deliver the Grievance within a reasonable period of time.

The Responding Party shall forward a written Level Two - Step One response to the Student Grievance Officer within ten (10) calendar days of his/her receipt of the Grievance. The Student Grievance Officer shall deliver the written response to the Grievant within five (5) calendar days.

Level Two – Step Two (Supervisor Level)

If the Grievance is not resolved to the satisfaction of the Grievant within ten (10) calendar days after his/her receipt of the Step One response, or if no written response is submitted, the Grievant may within ten (10) calendar days after the written response was received or due, request the Student Grievance Officer to forward the Grievance and response, if any, to the supervisor of the Responding Party, with a copy to the Senior Officer of the work area of the Responding Party.

The supervisor shall investigate the Grievance and confer with the Senior Officer. The supervisor shall forward his/her written decision to the Student Grievance Officer, within ten (10) calendar days after receipt of the Step Two Grievance. Thereafter, the Student Grievance Officer shall deliver the decision to the Grievant and the Responding Party within five (5) calendar days.

At any time before the issuance of the Supervisor’s Step Two decision, the Senior Officer may request that the parties meet to discuss the issue and attempt to resolve it. Grade appeals do not go beyond this Step (Level Two - Step Two) per the section on Grade Appeals.

No new issues or allegations may be raised by either party after Step Two.

Level Two – Step Three (Student Grievance Committee Level)

If the Grievance is not resolved to the satisfaction of the Grievant within the period allowed at Level Two - Step Two, the Grievant may request a hearing before a Student Grievance Committee. Such a request must be in writing and presented to the Student Grievance Officer within ten (10) calendar days from the issuance of the Supervisor’s Level Two - Step Two decision.

Within ten (10) calendar days of the Student Grievance Officer’s receipt of the Grievant’s request for a hearing, the Student Grievance Officer shall arrange a hearing before a Student Grievance Committee. The Student Grievance Officer shall use reasonable efforts to schedule the hearing at a time mutually convenient to the parties. At least twenty-four (24) hours prior to the hearing, the Student Grievance Officer shall provide each member of the Committee and all parties to the Grievance with copies of the Grievance, responses to the Grievance, decisions issued, and all relevant supporting documentation and materials. The Committee’s make-up and hearing rules are discussed later in this policy.

The Committee shall deliver its findings and recommendations to the Student Grievance Officer within ten (10) calendar days following the hearing. A copy of the Committee's findings and recommendations shall be delivered to the President or his/her designee, within five (5) calendar days of receipt.

Within ten (10) calendar days of the President’s receipt of the Committee’s findings and recommendations, the President or his/her designee, shall issue a written statement accepting, modifying or rejecting the Committee’s recommendations.

The decision of the President, or his/her designee, shall be final and binding on all parties.
GRADE APPEALS
Complaints or Grievances filed in connection with assigned grades represent a special case within the Grievance procedure. Grading reflects careful and deliberate assessment of a student’s performance by the instructing professional(s). As such decisions are necessarily judgmental, the substance of those decisions may not be delegated to the Grievance process. Nevertheless, the College recognizes that in rare cases the process of grading may be subject to error or injustice.

Except as otherwise provided by a separate appeal procedure for a clinical program as approved by the President of the College, a student who alleges an error or injustice in the grading process may file a Grievance under the Student Grievance Procedure. A grade appeal Grievance shall proceed no further than Level Two, Step Two. For purposes of a grade appeal, the Senior Academic Officer of the College, or his/her designee, shall serve as the Student Grievance Officer throughout the grade appeal process.

If the faculty member who assigned the challenged grade is no longer employed by the College or is not available within the timelines specified (see “Time” definition), the student may initiate his/her Level One complaint with the chief administrator of the appropriate instructional division (who shall be identified by the Senior Academic Officer).

If at any level substantial evidence of error or injustice is produced, the grading process may be remanded to the instructor of record for reassessment. If after reassessment, the dispute remains unresolved, the matter shall be referred to the Senior Academic Officer, or his/her designee, for final review. If the instructor of record is no longer available, the Senior Academic Officer or his/her designee shall instead reassess the grading process.

MEMBERSHIP OF THE STUDENT GRIEVANCE COMMITTEE
The composition of the College’s Student Grievance Committee shall consist of five members: one student, one unit professional, one faculty member, one non-unit professional and one unit classified employee. The President or his/her designee shall appoint each member from among the recommendations submitted by the Student Grievance Officer.

Service on the Committee shall be voluntary, provided that a member who has a personal interest in a particular Grievance shall be ineligible to serve on the Grievance Committee. All College employees serving on the Student Grievance Committee, and acting within the scope of their official duties on the Committee, shall be protected from liability to the full extent provided under Massachusetts General Laws, Chapter 258, and eligible for indemnification as provided for pursuant to M.G.L. Chapter 258, Section 9.

All Student Grievance Committee members, as well as all others in attendance at a student Grievance proceeding, shall maintain the confidentiality of the proceedings. The Student Grievance Officer shall attend all Committee hearings but shall not vote.

GUIDELINES FOR COMMITTEE HEARINGS
The following guidelines provide the framework for conducting a Student Grievance Committee Hearing:

• Prior to the hearing, the newly impaneled Committee shall meet to elect a Committee Chairperson. The Chairperson shall be selected by a simple majority vote.

• The Chairperson on the Committee shall be responsible for conducting the hearing and drafting the decision of the Committee, but shall vote only in the event of a tie.

• All hearings shall be closed and deliberations of the Committee shall be confidential and conducted in private.

• The Grievant and the Responding Party shall be in attendance at the hearing. Each party may be accompanied by an advisor at the hearing. The advisor, however, may not participate in the hearing or question witnesses. Either party may at any time during a hearing consult in private with his/her advisor.

• Witnesses may be asked by the Committee to remain outside of the hearing room until they are called to testify.

• The Grievant will address the Committee first. The Grievant will state the nature of his/her Grievance and may present relevant evidence and/or witnesses in support of the Grievance.
• The Responding Party may respond to the Grievant’s allegations and present relevant evidence and/or witnesses in opposition to the Grievance.

• Once the parties have presented their respective positions, the Committee may question the parties and/or witnesses.

• After the Committee has questioned the parties, each party will be given the opportunity to question the other party and their respective witnesses. All questions must be directed through the Committee. If the Committee determines that a question is relevant to the Grievance, the party or witness to whom it is addressed will be asked to respond.

• Following the parties’ questioning of each other, the Committee will have another opportunity to question the parties and witnesses.

• Hearings before the Committee shall not be subject to the formal rules of evidence. In all cases, the hearing shall be conducted in a fair and impartial manner.

• If a party to a Grievance fails to appear for a scheduled hearing, the Committee has the discretion to proceed with the hearing and issue its findings and recommendations in the party’s absence.

• The decision of the Committee shall be based on the relevant evidence presented at the hearing. The decision shall be in writing and include: a list of all documentary evidence and witnesses presented; a summary of the testimony offered by both parties and their respective witnesses; and the findings of the Committee and its recommendations. Copies of the decision and recommendations of the Student Grievance Committee shall be forwarded by the Student Grievance Officer to the President or his/her designee for review and final disposition. The President or his/her designee shall accept, reject or modify the Committee’s decision and/or recommendations and issue a final written decision.

• All findings and decisions reached under this Procedure shall be based on a “preponderance of evidence” standard (i.e., more likely than not). Any action taken hereunder shall be reasonable under the circumstances, in accordance with applicable College rules and procedures and be grounded in fundamental fairness.

WITHDRAWAL
A student may withdraw his/her complaint or Grievance at any time. Withdrawal must be accomplished in writing or by oral agreement confirmed in writing.

RETALIATION
No member of the College community shall retaliate or threaten to retaliate against, interfere with, restrain, or coerce any student in the exercise of his/her rights under the Student Grievance Procedure or his/her participation in any Grievance proceedings.

COLLATERAL RIGHTS OF PERSON GRIEVED BY STUDENT
If the recommendations made at any level of the Grievance procedure result in sanctions against a college employee, the sanctions shall be regarded as administrative actions subject to all conditions of applicable collective bargaining agreements and College or Board of Higher Education personnel policies.

ALTERNATIVE FORUMS
Filing a Grievance in accordance with the Student Grievance Procedure in no way abrogates a student’s right to file a complaint with an appropriate state or federal agency or in another forum.
