

MASSACHUSETTS BAY COMMUNITY COLLEGE

# GREENYEARS

*Presented by the Class of 1966*

MASSACHUSETTS BAY COMMUNITY COLLEGE  
BOSTON, MASSACHUSETTS

### *Change!*

It started back some time ago;  
When some of us were bought 'n sold.  
There's not a thing we get at birth;  
All comes from spending time on earth.  
We must be taught to fear 'n hate;  
Tain't things He would create.

The wars were fought for liberty—  
If your color's same as me.  
If you're not, it ain't that way;  
Cause black ain't half as good—  
They say.

**BUT WHO GAVE THEM THE RIGHT**  
of Judge and Jury?

None shall suffer by His Plan;  
Each He made from selfsame Hand.  
Liberty belongs to all,  
And all shall have;  
Cease . . . or some shall fall.  
Change!

For Time is coming and it's late.  
And time will come when it's too late. . . .

F. K.

## GREENYEARS

*The Pasture*

by Robert Frost

I'm going out to clean the pasture spring;  
I'll only stop to rake the leaves away  
(And wait to watch the water clear, I may):  
I sha'n't be gone long.—You come too.

From "The Pasture" from COMPLETE POEMS OF ROBERT FROST. Copyright 1930, 1939 by Holt, Rinehart & Winston, Inc. Copyright (c) 1958 by Robert Frost. Reprinted by permission of Holt, Rinehart & Winston, Inc.

## DEDICATION

Firm when he must be, interested in what we are thinking, and always ready to talk about our problems and plans, John R. Chase has smoothed our paths with sympathetic understanding, helped us find our own answers, and cheered us always with his friendly smile. With these thoughts in mind we dedicate GREENYEARS 1966 to our respected counselor, teacher and friend.

## *The Commonwealth of Massachusetts*

*Massachusetts Bay Community College*

*27 Garrison Street, Boston 02116*

At this Graduation time, we have become accustomed to saying "au revoir" rather than "goodbye." You will always be "our students" and like those who have preceded you, you will be coming back to the "old school." We are glad you will. As you leave, a little bit of us goes with you, because that's the kind of place this is and the kind of people we are.

It has been an eventful two years both for you and for us, even including the fire before Christmas. You will be the last Mass Bay class to graduate from the Boston Campus. In the years ahead, you will look back on these years with some nostalgia and with fond memories of elections, Holly Ball, Finals, Ski Trip, Variety Show, Honors Convocation, More Finals, Sophomore Week, Commencement Ball, and finally Commencement itself. It is all of these things and many more including friendships both student and faculty that have made us truly a college family.

We, who remain behind, have tried to provide you with a worthwhile academic and personal experience. We hope we have succeeded. In any case, you now carry the indelible stamp of Massachusetts Bay Community College. We know you will carry it proudly with dignity, excellence and good taste wherever your future takes you. Finally, take your place among the ever-growing alumni of your college and lend it your support as it grows and matures. We wish you good luck and Godspeed.

Sincerely,  
John F. McKenzie  
President

*Greenyears* began the year aspiring to create a book that was original and depicted the everyday lives of the students at Mass Bay. As the year progressed, we found the task becoming more difficult, but the rewards were increasing proportionately. It is at this time that we would like to give special thanks to our adviser, Dr. Telling, and Mr. Chase and Mrs. Kehoe. Their willingness to assist with advice, patience, and constant prodding has helped to create the 1966 edition of *Greenyears*.

## Student Government Association

To encourage and facilitate student activities and interests at MBCC, the *Student Government Association* has been established as the hub of all student affairs. ## The 1966 Class History

The process of distilling the highlights of this most eventful two year period is a difficult one indeed. Students will first recall Jim Better's election victory for S.G.A. President in what was later to be known as the hardest fought election battle in the school's history. The fall of 1964 was also highlighted by the *Drama Club's* excellent presentation of *Come Blow Your Horn*, with Arthur Stevensen and Roberta Balduzzi adding more than a touch of professionalism to an already talented cast.

The holiday spirit was heralded by Masquerade Dance, a Halloween fete that was easily the most successful of the season. Next came the Orphan's Party, which provided a pleasant break in the students' academic interest, turning their hearts toward making Christmas a memorable occasion for those less fortunate. At the *Holly Ball*, frolic and merriment were the order of the night.

After returning from Christmas vacation and struggling through final examinations students now looked forward to the annual ski trip which took place at Killington, Vermont. Memorable in the spring season was Country Club Day, flavored with games, dancing, and a gourmand's dinner. Closing out the Freshmen year was the *Freshmen Dinner Dance*, an evening of nostalgia and eager anticipation of the Sophomore year to come. September '65 witnessed the debut of the new Sophomore class as they became Big Brothers and Big Sisters to the incoming Freshmen. The good intentions that characterized the Orientation Committee cannot be held in question; the fact that Mass Bay lost 300 students that semester might make the committee wonder about its effectiveness.

With November came an election rally, in which students were given an opportunity to hear their future president, Jay Duffet, buffet his way to the top. Jay's election was celebrated at the election dance following. The month came to a close with the annual Open House and the very popular Hootenanny show.

Consistent with Mass Bay students' interest in the arts, the *Drama Club* again presented an excellent performance of another modern play, this time Moss Hart's *Light Up The Sky*, with Geo. Beninghof and Barbara Titus in leading roles. The last concern; large areas of the school were badly damaged by fire but had to be moved to the Watertown Campus. Ending fire. Only the sustained hard work of the administration and faculty was responsible for enabling the school to accommodate its returning students. The Orphan's Party was held on schedule, but had to be moved to the Watertown Campus. Ending the holiday season was the *Holly Ball*.

Finals again, and then the annual Ski Trip to Killington, Vermont, which was even more successful than the year before. More self-assured as Sophomores than as Freshmen, the students decided to experiment this spring in a number of unprecedented gala festivities. First on the list was a colorful Hawaiian night highlighted by a luau supper. Next came the zany *Sadie Hawkins Dance* which provided an opportunity for the female students to exhibit their aggressive tendencies. The male students remained their usual restrained selves, however! Also new this spring was the miniature *Jazz Festival* featuring the versatile and talented Herb Pomeroy.

Many of the students had their opportunity to demonstrate their own talent at the annual *Variety Show*. Also squeezed into the last month of classes were a colorful and romantic *Evening in Paris* dance at which Parisian decor was displayed, the Yearbook's annual luncheon for Sophomores held at the Louis XIV Room, Sophomore Outing, the charming Commencement Ball, and finally Commencement Day.

*We entered in hope, albeit with some trepidation; we leave in joy and self-assurance.*
