GREENYEARS

Presented by the Class of 1966

MASSACHUSETTS BAY COMMUNITY COLLEGE
BOSTON, MASSACHUSETTS
Change!

It started back some time ago;
When some of us were bought 'n sold.
There's not a thing we get at birth;
All comes from spending time on earth.
We must be taught to fear 'n hate;
Tain't things He would create.
The wars were fought for liberty—
If your color's same as me,
If you're not, it ain't that way.
Cause black ain't half as good—
They say,
BUT WHO GAVE THEM THE RIGHT
of Judge and Jury?
None shall suffer by His Plan;
Each He made from selfsame Hand.
Liberty belongs to all,
And all shall have;
Cease . . . or some shall fall.
Change!
For Time is coming and it's late.
And time will come when it's too late. . . .

GREENYEARS

The Pasture
by Robert Frost

I'm going out to clean the pasture spring;
I'll only stop to rake the leaves away
(And wait to watch the water clear, I may):
I sha'n't be gone long.—You come too.

DEDICATION

Firm when he must be, interested in what we are thinking, and always ready to talk about our problems and plans, John R. Chase has smoothed our paths with sympathetic understanding, helped us find our own answers, and cheered us always with his friendly smile. With these thoughts in mind we dedicate GREENYEARS 1966 to our respected counselor, teacher and friend.

Mr. David Thibault
At this Graduation time, we have become accustomed to saying “au revoir” rather than “goodbye.” You will always be “our students” and like those who have preceded you, you will be coming back to the “old school.” We are glad you will. As you leave, a little bit of us goes with you, because that’s the kind of place this is and the kind of people we are.

It has been an eventful two years both for you and for us, even including the fire before Christmas. You will be the last Mass Bay class to graduate from the Boston Campus. In the years ahead, you will look back on these years with some nostalgia and with fond memories of elections, Holly Ball, Finals, Ski Trip, Variety Show, Honors Convo- cation, More Finals, Sophomore Week, Commencement Ball, and finally Commencement itself. It is all of these things and many more including friendships both student and faculty that have made us truly a college family.

We, who remain behind, have tried to provide you with a worthwhile academic and personal experience. We hope we have succeeded. In any case, you now carry the indelible stamp of Massachusetts Bay Community College. We know you will carry it proudly with dignity, excellence and good taste wherever your future takes you. Finally, take your place among the ever-growing alumni of your college and lend it your support as it grows and matures. We wish you good luck and Godspeed.

Sincerely,
John F. McKenzie

1965-1966 WAS AN EVENTFUL YEAR...
HOLLY BALL 1965

What did you say your name was??
ACTIVITIES
Greenyears began the year aspiring to create a book that was original and depicted the everyday lives of the students at Mass Bay. As the year progressed, we found the task becoming more difficult, but the rewards were increasing proportionately. It is at this time that we would like to give special thanks to our adviser, Dr. Telling, and Mr. Chase and Mrs. Kohoe. Their willingness to assist with advice, patience, and constant prodding has helped to create the 1966 edition of Greenyears.
Student Government Association

To encourage and facilitate student activities and interests at MBCC, the Student Government Association has been established as the hub of all student affairs. The SGA representatives and officers are elected to implement functions, ideas, and other activities that coincide with the purpose of the College. They will also serve as the official voice of the entire student body and will act as liaison between the students, faculty, and administration.
The Bay Window

The Bay Window is Mass Bay's bi-weekly newspaper publication. Poignant articles, hard-hitting editorials, constructive criticism, social events, cultural activities concerning life on and off campus are featured. Its content encourages and provides for the participation of all students in the affairs of the student body. The Bay Window takes pride in knowing that the MBCC students have benefited from its finished product.
French Club

The aim of the French Club, better known as "Le Cercle Francais," is to acquaint the members with France and her customs and people. This year they sponsored a Christmas Party for the benefit of the orphans in the greater Boston area.

Financial Committee

The Financial Committee has been set up to propose a Student Government Association budget for the ensuing year, to review and evaluate all allocations of Student Government Association expenditures, and to advise the Student Council on all financial matters.

First Row: Prof. Kolman, Advisor; Prof. Chase, Advisor. Second Row: F. Muller, Chairman; N. Sutton, D. Melvin, C. McCormick. Missing: S. Pace, Co-Chairman; D. Naughton.

Hospitality Committee

The goal of the Hospitality Committee is to serve refreshments for many school functions and to make visitors feel welcome around MBCC. They have had a very busy year achieving their aims.

The Political Club strives to get an intellectual understanding about politics and how it affects our government and our history. Through discussions and speaking with political leaders, we gain great insight and experience to help us become responsible citizens. Activities included guest speakers, a trip, and a debate. The speakers were Edward J. McCormack, Jr., candidate for Governor of Massachusetts, and Catherine Craven, member of Boston City Council.

The purpose of the Mass Bay Chapter, FSA, is to stimulate interest in and develop a better understanding of the potentiality of a secretarial career. The main achievement of our Chapter this year was the installation and initiation of the Secretarial Club into the Future Secretaries Association. The Chapter is sponsored by the Beacon Hill Chapter of the National Secretaries Association.

Under the guidance of Professor Magazine, the Secretarial Club has been one of the most active clubs at Mass Bay. Included in the activities have been our annual Fashion Show and Alumnae Tea.
La Tertulia Castellana

The purpose of this club is to spread Spanish culture to those who are interested in Spain and its customs. This club is not only for those who are taking Spanish but also for those who are interested in Spanish tradition. The title of the club, La Tertulia Castellana, means a Spanish get-together. In this way, we hope that all the club members will participate and take an active part in the club. Activities consisted of going to a Spanish restaurant, La Ermita, and having a guest speaker address us on a phase of Spanish culture.

Bridge Club

The Bridge Club gives its members a chance to learn correct bidding and playing techniques, and to afford students an opportunity to practice under supervision. The club meets once weekly. Requirements for certain bidding situations are discussed, some hands are dealt and played, and the bidding and play are analyzed at the conclusion.

Bowling Club

The Bowling Club is newly formed this year. The members bowl once a week in competition. Trophies for highest single and highest average will be given.
The International Club functions to bring together students with various national backgrounds. By doing so, we hope to achieve greater understanding between peoples of different cultures.

Silver Key is an honorary activities society designed to recognize the contributions made by students in the College and the wider community. Although selection is primarily based on leadership, participation, and unselfish contribution of one's time, energy, and ability, the student must also be making satisfactory progress in his academic pursuits. Membership in this organization represents the highest honor this College can bestow for outstanding leadership and service to the College and to the community of which it is a part.
Natural Science Club

The Natural Science Club was organized this year. It takes an active part by studying the many marvels of nature.

Student Activities Committee

Student Activities Committee is a standing committee of the Student Government Association. On being appointed by the President of Student Council, the chairman selects five members at large from the student body to serve on the committee. This busy group, together with their hard-working advisor, have the responsibility of planning and organizing all of the social and cultural affairs of both the Watertown and Boston campuses. The major duties of the committee are to appoint chairmen and assistant chairmen to each social and cultural event, to aid clubs and other committees in performing their respective purposes, to draft a well-rounded social calendar, to keep faculty and students well informed on the programs being executed, to act as a liaison to student council, and—of prime importance—to develop a unified atmosphere between the students in both campuses.

Rod and Gun Club

The Rod & Gun Club was established to teach public safety, law, and order. It aims to educate its members in the proper use in handling firearms.
Drama Club

The Drama Club this year presented "Light Up the Sky" by Moss Hart. It was a comedy in three acts. The play was well enjoyed by all who attended.

Business Club

The Business Club functions to provide opportunities for its members to develop further interest in and knowledge of the business world. The club strives to promote student interest in the College and greater unity of purpose.

Humanities Club

The goal of the Humanities Club is to promote interest and support in the cultural activities around MBCC. Its main interests are art, music, and literature. It sponsored trips to museums, concerts, and supports the Humanities Series.
The 1966 Class History

The process of distilling the highlights of this most eventful two year period is a difficult one indeed. Students will first recall Jim Better's election victory for S.A.A. President in what was later to be known as the hardest fought election battle in the school's history. The fall of 1964 was also highlighted by the Drama Club's excellent presentation of "Come Blow Your Horn," with Arthur Steverksen and Roberta Balduzzi adding more than a touch of professionalism to an already talented cast.

The holiday spirit was heralded by Masquerade Dance, a Halloween feat that was easily the most successful of the season. Next came the Orphan's Party, which provided a pleasant break in the students' academic interests, turning their hatred toward making Christmas a memorable occasion for those less fortunate. At the Holy Ball, frolic and merriment were the order of the night.

After returning from Christmas vacation and struggling through final examinations students now looked forward to the annual ski trip which took place at Killington, Vermont. Memorable in the spring season was Country Club Day, flavored with games, dancing, and a gourmand's dinner. Closing out the Freshman year was the Freshmen Dinner Dance, an evening of rollicking and eager anticipation of the Sophomore year to come.

September '65 witnessed the debut of the new Sophomore class as they became Big Brothers and Big Sisters to the incoming Freshmen. The good intentions that characterized the Orientation Committee cannot be held in question; the fact that Mass Bay lost 300 students that semester might make the committee wonder about its effectiveness.

With November came an election rally, in which students were given an opportunity to hear their future president, Jay Duffett, buffet his way to the top. Jay's election was celebrated at the election dance following. The month came to a close with the annual Open House and the very popular Hootenanny show.

Consistent with Mass Bay students' interest in the arts, the Drama Club again presented an excellent performance of another modern play, this time Moss Hart's "Light Up the Sky," with Gen. Benningfield and Barabara Titus in leading roles. The fact that large areas of the school were badly damaged by fire but had to be moved to the Waterslow Campus ending the year.

Only the sustained hard work of the administration and faculty was responsible for enabling the school to accommodate its returning students. The Orphan's Party was held on schedule, but had to be moved to the Waterslow Campus. Ending the holiday season was the Holy Ball.

Finals again, and then the annual Ski Trip to Killington, Vermont, which was even more successful than the year before. More self-assured as Sophomores than as Freshmen, the students decided to experiment this spring in a number of unprecedented gala festivities. First on the list was a colorful Hawaiian night highlighted by a luau supper. Next came the "Sadie Hawkins Dance" which provided an opportunity for the female students to exhibit their aggressive tendencies. The male students rehashed their usual restrained selves, however. Also new this spring was the miniature Jazz Festival featuring the versatile and talented Herb Pomeroy.

Many of the students had their opportunity to demonstrate their own talent at the annual Variety Show. Also squeezed into the last month of classes were a colorful and romantic Evening in Paris dance at which French decor was displayed, the Yearbook's annual luncheon for Sophomores held at the Louis XIV Room, Sophomores Outing, the charming Commencement Ball, and finally Commencement Day.

We entered in hope, albeit with some trepidation; we leave in joy and self-assurance.
