MASSACHUSETTS BAY COMMUNITY COLLEGE
TWENTY-FIVE YEARS OF MAKING A DIFFERENCE

Massachusetts Bay Community College was the fourth community college established by the Commonwealth of Massachusetts in 1961. John F. McKenzie was appointed president by the Board of Regional Community Colleges on February 1, 1961. On September 29, 1961 the college opened its doors at 27 Garrison Street in the Back Bay near the Prudential Center to 419 students (the men outnumbered the women three to one and transfer students to career students was 72% to 28%) and 25 staff members. Two of these twenty-five continue to play an important part of Mass Bay. They are Dr. Anthony R. Carbone and Professor George Rogers. When the college opened its doors in 1961 they offered 5 programs of study: Liberal Arts, Business Administration, Secretarial Studies, Electronics Technology and General Studies. Today they offer 33 Associate degrees and 20 Certificate programs.

By 1965 increasing enrollment dictated the opening of a second campus. In September 1965 the college open facilities at the Gore campus in Watertown, formerly occupied by the Raytheon Corporation. Due to renovations of the building occupancy of the new campus was delayed until December 10, 1965, and as a result classes had to be held late afternoon and early evening from September to December at the Watertown High School.

In 1966 the Boston campus closed and the entire college consolidated at the Gore campus. Twenty-one relocatable buildings were installed at the Watertown campus to accomodate the enrollment, then approximately 1500 students; however, building delays again prevented the use of these facilities until the summer of 1967.

In December of 1967 Massachusetts Bay Community College became accredited by the New England Association of Colleges and Secondary Schools. Membership is maintained in the American Association of Junior Colleges and the American Council on Education.

In October of 1973, after a ten year search for a permanent campus the Legislature of Massachusetts approved the purchase of the Elizabeth Seton High School in Wellesley. In November of 1973 Massachusetts Bay Community College held its first classes at the Wellesley campus. Over half the student body attended classes at the Wellesley site by September 1974.

On June 13, 1977 the Watertown Campus closed and the fourteen-year goal of a permanent unified campus became a reality.

Despite the many changes Mass Bay went through over the past 25 years, one major aspect distinguishes Mass Bay from other colleges, is the close relationship between faculty and students. Today the college enrollment is approximately 2100 day students and 1900 evening students.

Susan Piro
1986
Time is slow for those who wait,
Too swift for those who fear,
Too long for those who grieve,
Too short for those who rejoice,
But for those who love, time is eternity,
Hours fly,
Flowers die
New days, New ways pass by
Love stays
(1968)
ALMA MATER

M.B.C.C. we sing to thee,
We pledge our hearts our loyalties
Through every year and every day
We sing to thee Mass Bay.

Devotion to the study life,
The lamp of knowledge burning bright,
Though all our lives we hope we may,
Remember thee Mass Bay.

Our college life too short to last,
Well Slowly drift into the past,
But though our lives in every way,
We'll be with you Mass Bay.

Your teachings and your honored creed
Of knowledge and into glory,
Will guide us all along our way,
We pledge to thee Mass Bay.

Barry Karas, '65
For Most of us . . .
This was a fleeting moment . . .
Two short years . . .
The transitional stage . . .
Between an end and a beginning . . .
But nothing remains constant . . .
Soon buildings, friends, teachers are gone . . .
Perhaps never to be seen again . . .
Memories . . .
Bridge the gap . . .
Enabling us to recall . . .
The lost memories of the past.

(1969)
Tomorrow does not stand apart,
A shining, all new day;
Tomorrow is a thing slow built,
or hours passed away.

It's made of dreams your heart has stored,
and dreams discarded, too;
It's made of all the joys and tears
The years have brought to you.

It's made of lessons you have learned,
The friends you've known—the foes;
As each of our todays is bent,
So our tomorrow grows;

It's made of sweat and toil and pain
and song and love and laughter;
Each minute of today helps build
The day that follows after.

Tomorrow does not spring full-built
with some new dawn's bright rays-
Tomorrow is a slow-built thing
Made up of Yesterdays.

Helen Lawrie Marshall
Here we find ourselves once again,
Older and wiser; grown women and men.

We've spent two trying but fun years at the Bay,
Working and studying trying to find our way.

Thrown into the world is where we find ourselves,
All our textbooks are thrown upon dusty shelves.

We now have our own lives to lead,
We realize now it is going to be a difficult deed.

Left behind are all the ways of campus life,
We must now face a world that is filled with strife.

Some of us face two more years of school,
Trying desperately to make our brain a more useful tool.

Others will look forward to a life time of work,
so take the champagne and remove the cork.

All we have left now is a memory,
Of all the friends who use to be.

Michael Mulcahy
1985-86 President of student body, Stephanie Miles and President of Mass Bay Community College, Roger Van Winkle.

The Men's Basketball Team had worked hard all year. They had their struggles when players were down and out, but over came those obstacles and worked very hard to become the Massachusetts Community College State Champs. The team was lead to their victory by coach Dana Brown, who worked the team hard to achieve that victory. The team also was lead by two Co-Captains, John Noonan, and Brian Meehan, who the team respected very well.
Baseball
A team is only as good as the sum of its individuals and this year's soccer team had some outstanding individuals. They were never satisfied to say "that's as good as we are going to get." The team made major improvements over the course of the season, their improvement was the most rewarding thing for them. With practice they became a skillful and talented group. They succeeded at their main goal which was to have fun!
Hockey

Intermural Hockey this year was held at Babson Hockey Arena. The hockey team was led by Coach Jim Sullivan. Coach Sullivan worked with everyone who had an interest, and wanted to play hockey. Coach Sullivan taught everyone of the team members a lot about sportsmanship, and about the art of the sport. The Hockey Team this year had fun and a very successful year.

LIVELIER
The Holiday Ball, an annual event held for Mass Bay students and faculty to celebrate the Holiday break. The Holiday Ball this year was held at the Westin Hotel in Copley Plaza, Boston. The event was sponsored by ticket purchases, and the Student Government. The organizer of this event was Lauren Boudreau, Anna Able, Stephanie Miles, and other members of the Student Government, a lot of planning and hard work went into the ball. The evening started with hors d’oeuvres and a casual welcome. After being seated in the dining room, with a breath taking view of Boston, on a snowy evening, a prime rib dinner was served. Then there was a couple of hours of dancing with Lance. The evening was a big success for all of those who were there.

The Commencement Ball was an evening of fun and excitement. The ball was organized by Anna Abel, Lauren Boudrot, and Joanne Pineau. There was a lot of planning and organizing from the committee. The ball was held at L'IZADETH'S in Westboro. There were hot hors d'oeuvres around an ice sculpture. The hall was decorated by Balloons over Boston. They had for center pieces balloons with baskets tied to them, they also had as you walked into the room an archway of balloons. The entertainment for the evening was The Fat City Band, they kept everyone on there feet, and dancing to there beat. The evening was a fun one with one hundred and fifty people eating and drinking and having a ball.
SILVER KEY

The Silver Key Award is an award given to students, who Professors and Deans feel have accomplished special things for the student body. Recipients of this award should feel honored to receive this award. The evening starred guest speakers, and entertainment. The awards were then given out by President Roger Van Winkle, and Dean Gerald Baizer. Listed Below are the 1986 Silver Key Recipients.

SOPHOMORE LUNCHEON

The Sophomore Luncheon was the last event for the class of 1986 to get together before graduation. The luncheon was held at the Natick Hilton. The organizers of this event were Robert Lloyd, Kevin Sheehan, and Student Activities Director Peter Sherman. The afternoon started off with a social hour with a cash bar, and hot hors d'oeuvres. Then when the doors opened students, deans, and professors were seated to a delicious lunch which consisted of a salad then a Prime Rib dinner with broccoli and potatoes. For dessert there was ice cream with strawberries. After dinner the afternoon was nothing but pure fun. Starting off with Guest speaker Larry Johnson, the sports cartoonist for the Boston Globe. Then there was the swearing in of the 1987 Massachusetts Bay Community College Student Government President, Lauren Boudriot. Then came the Dedication of Green Years. The Dedication went to Peter Sherman, Director of Student Activities. Following this and concluding the afternoon, came the Massachusetts Bay Community College Student Emey awards. The afternoon was a fun and joyous time for the class of 1986.
