

Brisbane Pickleball Club wants each Councillor to be aware of our growth in their community as a sport, a healthy activity and a social game.					
Our aim is to increase the profile of Pickleball with the Councillor, staff and community.					
Part of this recognition is to gain a photograph with the Councillor to post to our website.					
Take up a mini-project to support your Club by adopting a Councillor and ward.					
Email our Club secretary and your commitment will be added to this page
