August 2025

Welcome

A delayed welcome to all Brisbane Bayside Pickleball Club players. Sorry for the delay in getting this month's newsletter out!! That dirty four letter word (errr... "work"), got in the road!

A slightly smaller newsletter this month. Thought I'd try and knock this one out with just some of the essentials to keep you all up to date with what has been happening.

Please enjoy the abbreviated version of this months newsletter!

And as always, see you out on the courts...

Brian Krisanski (BBPC IT/Social Media/Newsletter Editor)

President's Report

Hooray at last, Spring has arrived and the pickleball hibernators are returning to the courts as well as many new faces who have joined over the winter/autumn months.

Welcome to all. "Tis" now the season for hot, heat, sun, wind, and rain, such are the elements to be endured while enjoying this quirky game we love. Remember to slip, slop, slap and don't forget the water bottle.

Thanks to the hard work of Brian Krisanski, the design of our new club T-shirts, Polo's, and Jackets have been finalised, and our first sample order is due for delivery late September/early October. Keep an eye out on your session hosts who will be wearing them in the near future. Once, these first ones come through, we will open things up for all club members to order their very own. Further information is following.

Feedback from our ladies only pickleball session "PickleChicks" is that the session is going well with positive feedback from those attending. As with all our sessions, this is your club and your session, and if you have any feedback on the session or the playing format used, please let us know.

We have a second pickleball session running now at Iona (on a Monday night). The first session started Monday, 8th September, check OpenSports to book your playing spot.

Our Annual General Meeting (AGM) is coming up on Monday, 29th September 2025. The meeting will take place at the Wellington Point Tennis Courts from 6:30PM, just prior to the normal session of play. This session will be a FREE session for all current financial BBPC members. All positions will be vacated with nominations opening two weeks prior to the meeting. How can you contribute? We are looking to establish sub-committees to feed ideas into our general committee meetings which are held each month.

"Let's Celebrate" – our two-year anniversary marking the beginning of our fantastic Pickleball Club is coming up on the 19th September 2025. We are planning to bring together as many members and their families across our venues to enjoy a Saturday or Sunday social event. A BBQ and drinks is being considered with invites to council to show case our great club. At this stage with so much happening in September, the plan is to hold the event sometime in late October - more details to follow.

In our recent club committee meeting, the need for more session hosts to support the various venues has become apparent. Several of our regulars have been away playing in tournaments or on holidays leaving just a few to keep the wheels turning. Can you assist?

Brian has put together another fantastic newsletter incorporating more detail about what is happening in our pickleball world. Enjoy the read and I look forward to seeing you once again out on court.

Regards

Chris Warner (Club President)

New Club Apparel

We have been working hard with a local Brisbane supplier to design and create our new range of Club apparel.

The first set of sample items are currently being prepared and will be distributed to all session hosts. They should be ready at the end of this month.

Keep an eye out for them as we all think the new designs look great and are totally different to anything else in use by any other club.

Once we have the sample items and we confirm they are exactly what we are wanting. We will open things up to except orders from any body wanting to purchase there own.

Stay tuned for further information.
