FESTIVAL

MiNiS

2022 WE CARE!

MY DAY AT MUSIC HALL

We can't wait to see you on SATURDAY MAY 21 for May Festival MiNiS.

Do you want to meet your teacher first? Here are [some videos of Mrs. Dreith.](#)

May Festival MiNiS will be at Cincinnati's Music Hall. It is a very big, historic building. Lots of very famous musicians have performed in this building. We think you will like it!

When I get to Music Hall, I will enter through the Box Office doors on the left-hand side of the building.

Here's what it looks like →

When I get inside, there might be people at the Box Office desk. They are very friendly and help people get tickets to shows!

Before I get all the way to the Box Office, I will turn right into the hallway that says "Elevator," like this →

When I get to the elevator, push the button is next to the "2R" to get to the Balcony.

It will look like this in the elevator →

When the elevator gets to level 2R, I will exit and turn right. I will walk across the big, beautiful balcony, that looks like this →

If I want, I can look down into Music Hall's foyer from here, but I don't have to.

There are lots of helpful ushers at Music Hall to help me get there. I can ask them questions if I want!

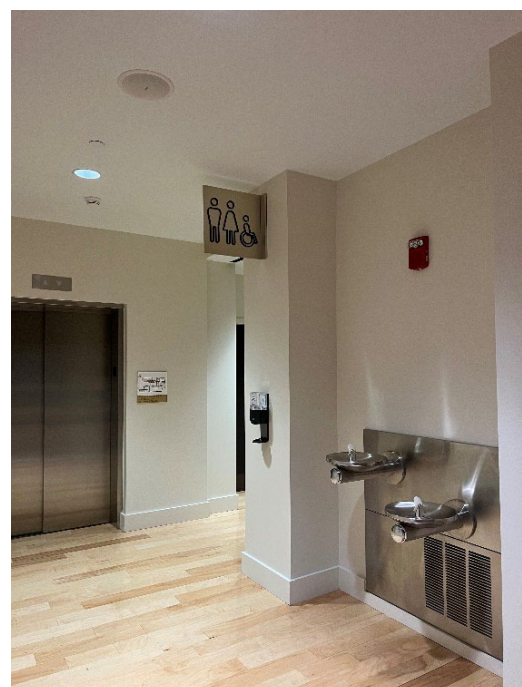

When I get across the balcony, I will turn left and Wilks Studio will be on my right. This is our classroom! →

When I get inside, some friendly people will get me checked in for class.

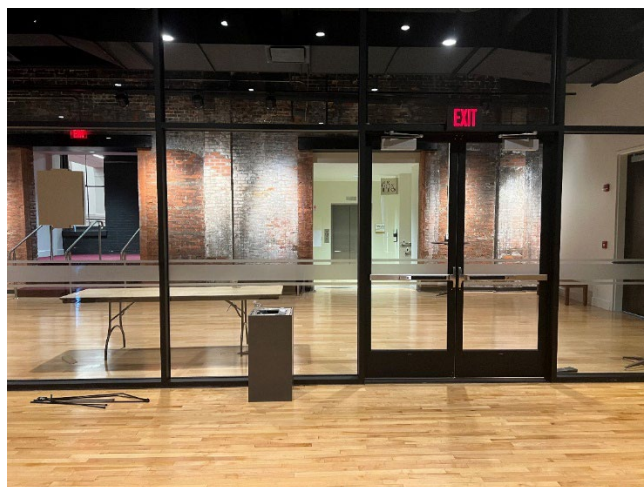

If I need to, I can use the restrooms. They are right next to our classroom and look like this →

I can also use the elevator in the picture to get to Music Hall's lobby after class!

Here, I will check in and wait for my class. →

There will be a table and some people there with a list with my name on it. They are excited to meet me!

Class will start by gathering classmates in a circle. I will sit on a dot on the floor like this. →

The grown ups at May Festival MiNiS know that sometimes you need a quiet space to calm down. If you need that, we will help you. We will keep you very safe, and we will all have a wonderful time making music together!
