

Located in the heart of the automotive industry, the PlanetM Landing Zone provides a physical entry point for global mobility startups interested in doing business in Michigan and gaining access to the vast network of automotive companies, testing infrastructures, talent and R&D centers.

The Landing Zone is designed to provide:

Mobility Hub

Subsidized and flexible co-working space that facilitates day-to-day encounters with like-minded mobility startups, industry, and other decision makers

Events

Access to curated events, tours, delegations, and other exclusive opportunities to connect startups to established automotive industry, investors and other decision makers

Industry Connections

Strategic introductions to global automotive firms based in Michigan

Professional Services

Access to a network of expert partners that can assist with a wide range of issues including legal, capital, talent and marketing

Network

Strategy and support tapping into the statewide economic development network to support company growth

Marketing Campaign

Exposure being a part of the global PlanetM marketing campaign
