# President's Message

## The Prez Says!

First, let me say thank you to past president Dave Hutchinson, during his term our Section's events have shown an increase in participation. We have grown in attendance from averaging 20+ members to averaging 30+ per event. We still have room to grow so please join us at the upcoming events. We try to schedule events that alternate Saturdays and Sundays and that offer a variety of interests. We are a diverse group of people with equally diverse interests. The two things I can say are: (1) an opportunity for you to do something you may not have considered doing on your own and, (2) that you will be with people who like to have fun.

Second, our last event was an airboat ride in Iverness, Florida that took us on the Withlacoochee River where we saw different species of wildlife that included a group of 50 or more recently hatched alligators. The tour guide/airboat captain also provided us with some thrills by maneuvering the airboat into spins and turns that elevated our heart rate. We enjoyed lunch at a local restaurant and then later that evening we were the guests of the event planners, Michael and Lynn Gulick, at their beautiful home located in The Villages.

Future events include a history tour and lunch at the historic Vinoy Hotel in St. Petersburg, a weekend event in Ft. Myers that includes a tour of the Edison/Ford estates and our Holiday Brunch at the Safety Harbor Resort and Spa. (**NOTE:** this year at the Holiday Brunch we encourage those in attendance to bring an unwrapped toy for any age child. These gifts will be given out to children at a local hospital.)

Club information can be found on the MBCA website, our newsletters, and on our Facebook page. We hope to see you at a coming event.

Dan

## Breakfast Voucher Info

**FYI** - when I made my reservation at the Holiday Inn Express in Ft. Myers for the Edison/Ford tour weekend, I asked for clarification of the \$5 charge for breakfast. They told me they have a full service restaurant and the voucher you can purchase at check-in is \$5/person. You present the voucher at the restaurant in exchange for a full hot breakfast. She said there are usually 4 or 5 choices from their menu & they change the choices daily. It includes beverages and the breakfasts are worth about \$8-10 without the voucher.

You can purchase voucher(s) at check in for \$5/person for breakfast at the hotel. This has to be done at check in. The front desk has all the details. Sunday, after breakfast, we will tour the historic winter homes of Henry Ford & Thomas Edison. Some are coming all 3 nights and some will drive in just for the tour - the choice is yours.

At Ford/Edison, we will be doing the Complete Estates Tour which offers a complete orientation and a self-guided audio tour of the historic homes, gardens and laboratory of the Edison and Ford families as well as the Museum. The museum contains an impressive collection of inventions, artifacts and special exhibits including individual audio headsets. We also will have a docent. # Fun Rally

Clearwater, FL  
August 25, 2013  
By Scott Suits

**F**ourteen teams met in Clearwater at Panera Bread by Countryside Mall for a 10:00 am start time. Section members came early to enjoy some of the great coffee and some sweet things (besides the sweet things that came with them in the car). One team was started every four minutes by rally master Scott O. Suits for an approximate two-hour rally that let the participants North along the Gulf of Mexico. The 53 course changes led the participants over coastal back roads not normally traveled and through towns like Dunedin, Palm Harbor, Crystal Beach, Tarpon Springs, across the Anclote River and ending up in Holiday. There were 46 clues to answers along the route that could be found on signs, road signs, buildings, mailboxes and some other obscure places. The last thing to decipher was "Willkommen, Treffen von Freunde" translated Welcome, meeting of friends.

The rally ended at "The German Restaurant" at 2616 US Highway 19 in Holiday Florida and we were all greeted by Dagmar Kasper. Dagmar and her husband and chef Hue Kasper own and operate this cozy European-styled restaurant that serves authentic German cuisine and beer.

The following teams placed as follows.
