→ Road Star Section goes to RENNtech ←

7825 SW Ellipse Way - Stuart, FL 34997

For those of you not yet familiar with RENNtech, they are a world renowned company that designs, engineers and manufacturers a proprietary line of tuning products in-house. Their facility features full fabrication, machine shop and rapid prototype capabilities as well as in house performance dynamometer equipment, complete engine management and software tuning capabilities, a complete service/repair/installation facility and a fulltime design, engineering and sales staff. Their brand new headquarter facility is located in Stuart, FL. Some of you may have been to RENNtech during our last visit in April, 2014 at their former Lake Park, FL Headquarters. They have recently moved to significantly larger facilities and Road Star has been invited to visit for a tour. As those of you who have been there well know, it will be a very worthwhile, interesting and, no doubt, eye-opening experience.

Don't miss it !!

We'll plan to meet at RENNtech from 10:00 AM to 12:00 Noon on Saturday morning and follow it with a Road Star business meeting and lunch at Conchy Joe's at 12:30 pm.

Please send your "reservation fee" for this event (\$5 per person) and assure that it is received by John Corcia no later than Thursday, June 11, 2015. Please make your check out to:

"Road Star Section – M.B.C.A." and mail it to:
