SFBA Member Participation in Event Planning

Like many other clubs, SFBA's long-term success depends largely on offering a variety of events and activities that appeal to its members. The annual planning calendar automatically includes several "standing" events - the monthly First Sunday Drives, periodic Technical events, and the get-together following the national club's Legends of the Autobahn concours d'elegance.

Once a year, members are invited to attend the annual Planning Meeting, at which everyone is encouraged to suggest an event or activity for the calendar. Our events have been very well attended of late, partly because they represent what our members themselves have suggested, and also because they are well-planned and managed. It has also been our

policy for the past five years to carefully consider the cost of events, so that everyone can participate...even luxury car owners have budgets!

If you have an idea for an event that you would like to suggest, come to the November planning meeting, and be prepared to describe it in adequate detail to start the mental juices flowing. You'll find others will help make your idea something that will complement the menu of events being assembled for the following year.

Election of Officers

Each year, a nominating committee made up of Board members selects the slate of officers for the coming year.

This year is no different. The following names are listed for your review and vote if you approve.

As you know, the San Francisco Mercedes- Benz Club relies on volunteers to keep it going, planning and leading events and serving on the Board.

We appreciate the willingness of the potential officers to take a leadership role this coming year.

The Executive Board has nominated the following slate of candidates for 2016.

President - Steve Robinson
Vice President - Lou Piccinini
Secretary - Eric Wee
Treasurer - Mauna Wagner

The Clos LaChance Winery is an elegant winery right close to Morgan Hill. It is family owned. Our club held a unique photography session on the property a few years ago and one of our First Sunday drives ended there. The wines are wonderful and award winning. Many weddings and special events are held there.
