## **MCLANAHAN BUILDS TEAM WITH OPENING OF LATIN AMERICAN OFFICE**

Hollidaysburg, Pa., Aug. 3, 2015 — For years, McLanahan Corporation has serviced customers throughout Latin America using a team of international sales people and a representative network in the area. Market growth has increased the demand for a team based in this region, which is why McLanahan is proud to announce the opening of a new location in Santiago, Chile.

Servicing all of South and Central America, along with the Caribbean and Mexico, McLanahan Latin America provides sales, engineering and customer service. With many installations throughout Latin American already, the McLanahan Latin America team is committed to providing the same standards of equipment, service and support consistent with all McLanahan global locations.

“We are not new to the South American market,” said Courtney Barrett, Managing Director – Latin America. “What we are offering now is better service and support to the Latin American market with a full-time team in Chile. We’ve put together a team here in Latin America that has decades of experience in materials processing, and we’re confident they’ll deliver what our customers need.”

McLanahan Latin America will be providing the same equipment that is available to customers globally including crushing, feeding, sizing, screening, washing, sampling and water management equipment, as well as solutions for the agricultural industry and waste management.

McLanahan Corporation provides safer, simpler and smarter equipment to help producers be more efficient, more productive and more profitable. Headquartered in Hollidaysburg, Pa., USA, McLanahan Corporation has additional locations in Asia, Australia, Europe, North America and South America.
