Mobile Road Transport Case for Gemini Workstations

The Gemini CDM-2Case is the ultimate protective accessory for your CDM-3200, CDM-3610, CDM-3700G and CDMP-6000 models. It features a heavy-duty construction with metal corners, finished with a black textured ABS covering offering the ultimate protection for your coveted DJ rig! **Features:** •Fits CDM-3200, CDM-3610, CDM-3700G and CDMP-6000 •Heavy-duty construction with metal corners •Finished with a black textured ABS covering •Mfr. #CDM2 CASE

MCM Part # **ONLY**
555-17480 **\$89.99**

Mighty GigRig

The Mighty GigRig features an angled 14RU top rack space providing ample room for larger mixers. Below the mixer, six rack spaces provide room for amplifiers and other audio equipment. Optional expander case provides for an additional six rack spaces. Optional caster base is ideal for use with the expander case, for transporting as a separate unit. The cover of the Mighty GigRig is used as a pedestal, placing the mixer at proper mixing height (40 3/4" overall height). Optional shelf is ideal for use as a laptop stand (Shelf dimensions: 16" x 16 1/2").
