Mooresville High School Students Rank Big in Extracurricular Competitions at the Indiana State Fair

During the many summer activities that Mooresville High School students participated in representing our school, the marching band, color guard, and the competition cheerleading squad placed in high rank.

During this year's 69th annual Music for All Indiana State Fair Band Day contest, the Pioneer Regiment finished in 10th place out of 40 bands on August 8, 2015.

The Mooresville High School Competition Cheer Squad also finished 4th out of 32 squads at the Indiana State Fair Cheer Competition on August 15, 2015.

Congratulations to these and all of our school activities for participating in a great summer season and for representing Mooresville High School well.

Recent Changes at MHS

Student Expectations:

This year we are focusing on 2 areas for student expectations, **MHS Blue and Gold Rules**

1. Do the Right Thing!
2. Do Your Best!
3. Treat Everyone with Respect and Dignity!

Lunch Procedure:

All students must have their pin number memorized in order to purchase school lunch. Student ID cards will no longer be used. This is to cut down waiting time in the lines for our students.

A Word From the Guidance Department

All students: many college and military representatives are in the lunch room on a daily basis to speak to about their admission requirements and college/career opportunities that are available to you. Please don't hesitate to ask them questions.

Seniors: If you have not taken the ACT or SAT, please sign up for the next available test date. More information is available on the MHS guidance website and in the guidance office.

SHOUT it OUT!

Shout out to these Mooresville High School Seniors for traveling to Chile this past summer. This 7-week IU program was an opportunity to explore Spanish culture and further develop bilingual skills.
