

Mossbrucker Returning to Mooresville

A familiar face will return to the sidelines of Mooresville athletic events this fall. Mike Mossbrucker, who served as Mooresville Director of Athletics from 1998-2011, was recommended by administrators and approved by the board to return to the Director of Athletics position for the Pioneers.

“I really look forward to returning to Mooresville,” said Mossbrucker. “I’m excited to come back to the place where I spent my first years in education. I look forward to seeing the people I’ve previously worked with and I’m anxious to meet the newer members of the staff.”

“We’re excited to have Mike Mossbrucker return as Mooresville’s Director of Athletics,” said Superintendent Dr. David Marcotte. “His extensive knowledge and expertise in athletics will prove to be valuable to our student athletes and coaches.”

Mossbrucker received his Bachelor’s and Master’s Degrees in education from Indiana University. In addition to serving as a teacher, coach and athletic director for Mooresville, he has most recently served as the Athletic Director for Bloomington North High School. He has received numerous honors throughout his career, including being named the District III High School Athletic Administrator of the Year by the Indiana Interscholastic Athletic Administrators Association in 2015.

Mossbrucker acknowledges that his time spent at Bloomington North provided him with a great opportunity. “I feel like I’ve grown in the past five years,” he said, adding, “I’m really excited to get going and try to build on the great things that have taken place in Mooresville.”

Mossbrucker will begin as Mooresville’s Director of Athletics on July 1.
