

# PAUL HADLEY ATHLETIC'S PARENT BOOSTER

Paul Hadley families support the athletics department by becoming an Athletic Parent Booster. Patrons' donations enable the athletic department to hire officials, buy uniforms, pay workers for events, and purchase general equipment and merchandise for Pioneer athletic teams. Tax revenues cannot be used for such things as uniforms, equipment, game officials, and many other needs of the athletic department. Therefore, Athletic Parent Boosters' support and athletic fundraising activities are necessary as gate receipts fall far short of financing the needs of a large athletic program such as the one at Paul Hadley. Please contact the athletic office. Your consideration is greatly appreciated.

For a donation of \$20 or more, you will be recognized in our sports program as one of our "Parent Boosters." For your convenience, you may use this form to complete your donation. Thank you for supporting your child's athletic program!!
