### Accessing Your Student's ISTEP+ Assessment Results

Your student's ISTEP+ results are now available for you to review through the ISTEP+ Parent Portal. Through the secure Parent Portal website, you will be able to view preliminary results, including your student's current score and performance level (Pass+, Pass, or Did-Not-Pass) and written responses to ISTEP+ Part 1 questions for each subject area of your student's test.

This Quick Guide provides instructions on how to access and navigate the Parent Portal.

## Step 1: Have Your Claim Code Ready

You will need your Claim Code to access your student's test results. Your confidential, personalized Claim Code was provided to you by your student's school. If you have not received your Claim Code, you will need to contact your student's school. Once you have your Claim Code, the Parent Portal can be accessed at <https://results.pearsonaccessnext.com/login> through a standard desktop, laptop, tablet, or smart phone browser. From the **Log In** page, you will first create an account by selecting **Sign Up**.

## Step 2: Create an Account

After you select **Sign Up** on the Log In page, you will see the **Create Account** page. Create your Parent Portal account by entering **your** First Name, Last Name, Email address, and an initial Password. Passwords must contain a minimum of 8 characters and include at least one upper case letter (A-Z), one lower case letter (a-z), and one number (0-9).

For security purposes, after you select **Create Account**, you will immediately receive an email at the address you entered with a link to click to confirm your account. After you confirm your account in the email link, you will be taken back to the **Log In** page. Enter your Email Address and Password and select **Log In** to access the Parent Portal site.

If you do not have an email account, please contact your student's school. School representatives may, with your authorization, assist you in accessing your student's results.
