

# MOHAMMAD MAHER AHMAD

FILMMAKER | DIRECTOR | VIDEO EDITOR

## PROFESSIONAL SUMMARY

Emerging Filmmaker and director with a strong foundation in storytelling, production, and post-production. Experienced in creating short films and documentaries, as well as working in live TV and media productions environments. Passionate about crafting compelling visual narratives that connect with audiences, with hands-on expertise in editing, directing, and content development.

## EXPERIENCE

### Production and Editing Intern

AlAraby TV network | September 2024 - October 2024

- Collaborated with production teams during real-time live TV broadcasts, supporting control room and operations
- Contributed to post-production and live broadcasts, helping ensure all technical and editorial elements were ready for airing

### Media Production Intern

360 engineering | April 2024 - July 2024

- Assisted in planning and executing marketing campaigns for media projects across digital platforms, contributing creative ideas for storytelling, branding, and audience engagement.
- Supported content creation by writing copy, editing short-form videos, and preparing promotional materials.

## PROJECTS

Shift Layli | Sep 2025 - Jan 2026

Film Creator | Director

- Conceptualized, wrote, and led full pre-production planning, including storyboarding, scheduling, and resource coordination
- Independently produced, directed, and edited the film, managing all creative and technical aspects to deliver a polished final project.

The Evolution of Music Platforms | May 2024 - Jun 2024

Film Creator | Director

- Produced and directed a documentary on the evolution of music consumption, leading a team, managing workflow, and conducting on-camera interviews.
