**Curriculum Development:** Spearheaded the design, implementation, and continuous improvement of the curriculum, integrating project-based and interdisciplinary learning to meet the diverse needs of students.

**Faculty Development:** Recruited, mentored, and provided professional development for teaching staff, promoting collaborative practices and a commitment to student-centered learning.

**Quality Assurance:** Monitored and evaluated academic performance and outcomes through data-driven assessments, ensuring continuous improvement in teaching methodologies and student performance.

**Stakeholder Engagement:** Collaborated with parents, students, faculty, and external partners to enhance educational programs and support services.

## **Education**

### **Bachelor of Science**

*Major in Electronics and  
Communications Engineering  
Holy Angel University | Philippines*

### **Professional Eligibility:**

Licensed Electronic Technician  
– Oct. 2016

TOEIC Language test – Sep.  
2020 | Rating: 945

### **Training and Seminars:**

Internet Technologies  
Holy Angel University | Angeles City

IECEP Pampanga Chapter 1<sup>st</sup>  
Annual ECE Research  
Colloquium  
Holy Angel University | Angeles City

Exploring The World of  
Networks Career as a Network  
Engineer  
Smart Communications, Inc.

Long Term Evolution, The Next  
Wireless Technology  
Smart Communications, Inc.

### **Additional Information:**

Sex: Male  
Civil Status: Single  
Nationality: Filipino  
Religion: Catholic  
Passport ID #: P5858660A

## **SCIENCE AND MATHEMATICS TEACHER**

*Anubansriwattanawittaya | Sa Kaeo, Thailand | July 2020 to Jan 2022*

Student-Centered Learning: Utilized various teaching methods, including hands-on experiments, problem-solving activities, and project-based learning, to foster curiosity and critical thinking in students.

Assessment and Evaluation: Designed and implemented formative and summative assessments to monitor student progress, providing personalized feedback to support student growth in both subjects.

Classroom Management: Maintained a positive and structured learning environment, encouraging respectful communication, collaboration, and self-discipline among students.

## **FIELD SERVICE SUPERVISOR**

*Intelligent Touch Corporation | Makati, Philippines | Aug 2018 to Mar 2019*

Team Leadership and Supervision: Led and supervised a team of field engineers, ensuring efficient execution of projects, adherence to safety standards, and optimal use of resources.

Project Management: Oversaw on-site engineering activities, including the installation, maintenance, and troubleshooting of equipment, ensuring timely project completion within budget.

Technical Support and Guidance: Provided technical expertise and hands-on support to field engineers in solving complex issues, improving operational efficiency and reducing downtime.

Quality Control: Monitored and ensured the quality and accuracy of engineering work, conducting regular inspections and audits to maintain high standards of performance and compliance.

Client Liaison: Acted as the primary point of contact for clients on project sites, addressing concerns, providing updates, and ensuring satisfaction with the progress and outcomes of the work.

Reporting and Documentation: Maintained comprehensive reports on project progress, equipment performance, and team productivity, providing key insights to upper management for decision-making.

## **Internship**

### **Trainee - ECE**

*National Telecommunications  
Commission*

*Mar 2015 – May 2015 | Philippines*

## **COMMUNICATIONS TRAINER**

*Concentrix | Angeles, Philippines | Aug 2019 to Mar 2020*

Training Design and Delivery: Developed and delivered communication training programs tailored to enhance participants' verbal, non-verbal, and written communication skills across various professional settings.

Interpersonal Communication: Facilitated workshops on active listening, conflict resolution, and team collaboration, enabling participants to improve their interpersonal communication within work environments.

Feedback and Evaluation: Provided constructive feedback to participants through role-playing activities, simulations, and real-time assessments to ensure continuous improvement.

Soft Skills Development: Integrated training on emotional intelligence, empathy, and assertiveness to enhance overall communication effectiveness in diverse social and professional contexts.

Coaching and Mentorship: Offered one-on-one coaching sessions to individuals aiming to improve specific areas such as negotiation, client communication, and leadership communication.

Content Creation: Developed training manuals, online courses, and resources to support ongoing learning and skill development.
