PULASKI UNITED FOUNDATION RECEIVES \$1,000 FROM UNITED COOPERATIVE

BEAVER DAM, WIS. – United Cooperative provided \$1,000 this month to Pulaski United Foundation, an organization dedicated to the betterment of the Pulaski community and its people.

Pulaski United Foundation began as a community chest in 1942, said Mark Heck, director. One of its early projects was to fund a doctor to serve the community. Today, the organization continues to serve. “We help where other things cannot,” said Heck. From disaster relief to community betterment, to support for a high school culinary arts, FFA competition, or band invited to the Rose Bowl Parade, the Pulaski United Foundation is a resource for people in need or community needs, he added.

“It’s our commitment to support the communities where United Cooperative has members and does business,” said David Cramer, United Cooperative President and CEO. “By providing these funds to Pulaski United Foundation directly, the organization can support area causes that might not otherwise have adequate funding.
