CORN STORAGE PROGRAM

Contracts Available: The following contracts are available to our customers: Cash sale, Fixed Basis, Hedge to Arrive, Seasonal Mean Price† and Deferred Payment. Delivery must be made at 100% of Contracts.

***** *Deferred Payments will be paid first week of January.* *****

House Receipts: Storage will be **\$0.175** per bushel for three months and \$.03 per bushel per month, thereafter. Storage charges are prorated daily after minimum is applied.

Drying Rates: Corn is dried to 15% moisture to sell, and 14% moisture to store, with total shrink of 1.35%. The drying rate of **\$0.04** per point of moisture removed will be applied to wet bushels. All House receipt and Grain Bank corn drying rates will be charged after delivery has been completed.

Grain Bank: No charge for the first 90 days and \$.03 per month (prorated daily) thereafter, is in effect if corn is mixed in a regular feed mixture. If not, regular House receipt storage rates apply. Corn is dried to 15% moisture for grain bank bushels.

BEAN STORAGE PROGRAM

Contracts Available: The following contracts are available to our customers: Cash sale, Fixed Basis, Hedge to Arrive, Seasonal Mean Price† and Deferred Payment. Delivery must be made at 100% of Contracts.

***** *Deferred Payments will be paid first week of January.* *****

House Receipts: Storage will be **\$0.21** per bushel minimum for three months and \$.04 per bushel per month thereafter. Storage charges are prorated daily after minimum is applied.

Moisture Discount: Soybean moisture over 13% will be charged a discount of 1% of total bu. per ½ point of moisture. Soybean moisture over 15% will be charged a discount of 2% of total bu. per ½ point of moisture. Soybean moisture over 20% is subject to rejection.

HOUSE POLICIES

- The disposition of all grain delivered to Farmers Elevator must be determined in 7 days, if not, a House Receipt will be issued.
- All spot priced grain will be priced using Farmers Elevator's closing price on the date delivered (Saturday/Sunday deliveries will use Monday's closing price.)
- Negotiable Warehouse Receipts will be issued for all Grain under loan with the CCC, and must have **9 months** of storage paid up front.
- In the case of a contract cancellation, a \$.30 service fee will be charged. The difference of any market price greater than the initial contract price, will also be charged. If the market price is less than the initial contract price, only the \$.30 fee will be incurred.
- An unloading fee of \$.07 per bu. and a load out fee of \$.07 per bu. will be applied when grain, not sold to Farmers Elevator & Exchange, is taken out of the facility.

***** *The above is subject to change without notice.* *****

† Restrictions may apply. See Merchandiser for details.
