12-16-4 w/ 1% Iron, 10% Sulfur, 1% Zinc

- More Nitrogen for stronger, more vigorous plants
- Produces high yields and quality vegetables
- Trace elements to balance Western soils.
- Apply as broadcast or side-dress.

Application Rate: 2 pounds per 100 sq. ft.

20 Pound Bag      10 Pound Box

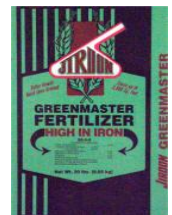

### JIRDON GREENMASTER FERTILIZER

25-5-5 w/ 4% Iron, 7% Sulfur

- A PREMIUM formula with emphasis on Nitrogen and Iron
- A favorite for color, texture, and durability.
- The most for the dollar.

40 Pound Bag covers 10,000 sq. ft.      20 Pound Bag covers 5,000 sq. ft.

### JIRDON TREE & SHRUB FERTILIZER

4-10-10 w/ 7% Iron, 10% Sulfur, 1% Zinc

- Sufficient Nitrogen for good uniform growth
- Extra high Iron to correct Iron Chlorosis and maintain good green color
- Zinc . . . The trace element that makes it all work.
- Balanced formula to correct fertilizer

## JIRDON HEAT & DROUGHT STRESS FERTILIZER

8-12-10 w/ 2% Iron, 9% Sulfur

65% Slow Release Nitrogen

- Feeds your lawn under poor moisture conditions.
- High Phosphate helps root development
- Potassium protects against heat & drought stress.

40 Pound Bag covers 10,000 sq. ft.

## JIRDON WEED-'N FEED containing TRIMEC HERBICIDE FERTILIZER

20-10-5 w/ 5% Sulfur

- Feeds the lawn while killing existing weeds!
- Controls chickweed, dandelions, knotweed, plantains, henbit, spurge, and many others.
- Apply ONLY when dew is on grass.

40 Pound Bag covers 10,000 sq. ft.      20 Pound Bag covers 5,000 sq. ft.

## JIRDON SUPER IRON GREEN FERTILIZER

8-0-0 w/ 16% Iron, 20% Sulfur

Ferrous Ammonium Sulphate

- Iron promotes chlorophyll production, giving a dark green color with vigorous blade and root development.
- May cause staining or discoloration of concrete.

Application Rate: 4 pounds per 1,000 sq. ft.

40 Pound Bag      20 Pound Bag      10 Pound Box

## BILL'S ROSE FERTILIZER

10-10-2 w/ 3.5% Iron, 12% Sulfur

- Specialty Product . . . Designed for Rocky Mountain Area with high pH soils.
- Extra high Sulfur content to reduce alkalinity.
- Two sources of Iron for better correction of Iron Chlorosis.
- Sufficient N, P and K to produce good growth and quality roses.

25 Pound Bag treats 100 bushes      3.25 Pound Box treats 13 bushes

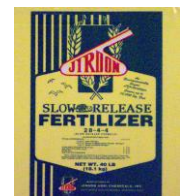

## JIRDON SLOW RELEASE FERTILIZER

28-4-4 w/ 3% Iron, 7% Sulfur

- A slower, more controlled release of nitrogen
- More uniform response over a longer period of time
- Lower burn potential.
- Improves color and density of turf.
- Can be applied less frequently & at higher rates.

40 Pound Bag covers 10,000 sq. ft.

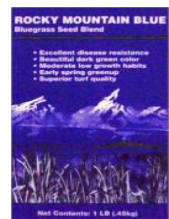

## ROCKY MOUNTAIN BLUE BLUEGRASS SEED BLEND

- An elite blend of the very best bluegrass cultivars adapted to Rocky Mountain Area.
- Lush, dense turf with beautiful dark green color.

Application Rate: 2-3 lbs per 1,000 sq. ft.

50 Pound Bag      1 Pound Bag      5 Pound Box

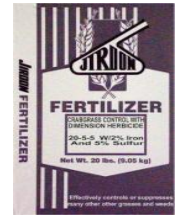

## JIRDON CRABGRASS CONTROL WITH DIMENSION HERBICIDE

20-5-5 w/ 2% Iron, 5% Sulfur

- Pre and Postemergence control of crabgrass.
- Season long control of annual grasses in lawns and ornamental turf.
- Contains the proper ratio of Nitrogen, Phosphorous and Potassium.
- Added Sulfur and Iron.

18 Pound Bag covers 5,000 sq. ft.

## TUFF TURF GRASS MIXTURE

- Best choice for quick germinating, low maintenance turf.
- Has the durability, fine leaf texture, good shade tolerance for overall turf quality.
- Requires less management, less mowing less water, with low Nitrogen levels fescue, and drought tolerant bluegrasses.
- Ideal for seeding bare spots fast!

Application Rate: 4-7 pounds per 1,000 sq. ft.

50 Pound Bag      1 Pound Bag

## JIRDON SEED STARTER FERTILIZER

15-30-15 w/ 1% Sulfur

25% Slow Release Nitrogen

- Uniform growth response over a longer period of time.
- Low burn potential

Application rate 5 pounds per 1,000 sq ft.

40 Pound Bag      20 Pound Bag

## JIRDON NATURAL BASED LAWN FOOD

- Safe to use around children & pets.
- Acts as an organic chelator and microbial stimulator.
- Buffers against salts and high ph.
- Aids in plant's ability to take in vital nutrients.
- Increases drought tolerance
- Improves root development and soil structure with organic matter.

40 Pound Bag covers 4,000 sq ft.

## JIRDON SURE-FOOT ICE MELT

- Environmentally friendly
- No white residue
- Less corrosive
- Will not harm vegetation
- Will not harm carpets or floors
- Fast acting and economical

40 Pound Bag      4 x 1 lb. Jug
