

Friday July 2, 2021

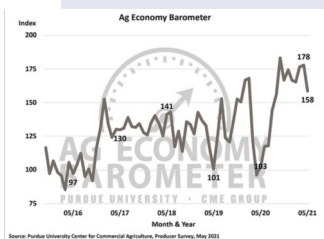

Helpful Hint: Click the hyperlinks for more detail.

Markets will be closed Monday July 5th to observe
Independence Day 2021 - [GOD BLESS AMERICA](#)

Corn and wheat closed lower today while soybeans closed higher. Corn, soybeans and wheat closed higher on the week. Since Monday is a federal holiday banks, federal and state offices as well as many businesses will be closed. USDA reports will be delayed one day next week due to the holiday. Grain markets will resume trade Tuesday morning July 6 at 9:30 am EDT. Funds were estimated net sellers of 12k corn contracts 9.8k wheat contracts and net buyers of 35k soybean contracts.

Weather events and weather forecasts will be a big factor in determining price direction during the month of July. This weekend is well known as the hinge pin in weather and generally dictates the trend in futures for July. The majority of corn pollination is expected between July 10th and 20th .

The next USDA WASDE report will be released Monday July 12 at NOON EDT. Stay tuned.
