(grower)	
ertify the grain being delivered to Jersey County Grain (grain elevator) and being sold to H & B Specialties, c. is a NON-GMO corn variety.	
ease list varieties being delivered below:	
	_
I certify to the best of my knowledge that:	
1) The NON-GMO corn was planted and harvested in such a manner to preserve the IDENTITY of the NON-GMO corn.	
2) The CARGO has not been treated with any CHEMICAL after its harvest.	
3) I confirmed that all of the equipment used for the NON-GMO corn including storage, combine, auger, and conveyors were clean and empty before handling this NON-GMO corn.	re
4) Samples will be taken from each truck when the corn is delivered to the above named elevator.	
5) I will provide a copy of the "seed corn invoice" for proof of purchase if requested.	
6) If it is found that corn I have delivered is knowingly contaminated with GENETICALLY MODIFIED MATERIAL, I will be excluded from this program and will be subject to exclusion from any other programs and I will lose or refund any prem paid to me for such corn.	ium
7) I have followed the grower policies & procedures as instructed by H&B Specialties, Inc.
