

2023 CROP GROWER'S IDENTITY PRESERVED

NON-GMO CORN CERTIFICATE

Hardin, IL

I, _____ (grower)

certify the grain being delivered to **Jersey County Grain** (grain elevator) and being sold to H & B Specialties, Inc. is a NON-GMO corn variety.

Please circle varieties being delivered below:

Agrigold 6499 6572 644-19 645-16	Beck's 6282 6374 6557 6774
Channel 214-78	DeKalb 62-06 65-92
FS Seeds 60U00 62Z00 63Z00 67S00	Pro Harvest 85P55
Gateway Seed Co 1137 9167	Seitec 6345 6508 6777
LG Seeds 64C20 66C44 5618 5650	Sun Prairie 2885
	Wyffels Hybrid 7870 8910

I certify to the best of my knowledge that:

- 1) The NON-GMO corn was planted and harvested in such a manner to preserve the IDENTITY of the NON-GMO corn.
- 2) The CARGO has not been treated with any CHEMICAL after its harvest.
- 3) I confirmed that all of the equipment used for the NON-GMO corn including storage, combine, auger, and conveyors were clean and empty before handling this NON-GMO corn.
- 4) Samples will be taken from each truck when the corn is delivered to the above named elevator.
- 5) I will provide a copy of the "seed corn invoice" for proof of purchase if requested.
- 6) If it is found that corn I have delivered is knowingly contaminated with GENETICALLY MODIFIED MATERIAL, I will be excluded from this program and will be subject to exclusion from any other programs and I will lose or refund any premiums paid to me for such corn.
- 7) I have followed the grower policies & procedures as instructed by H&B Specialties, Inc.
