Lawsuit Filed Against Indiana Farmers Challenging Indiana Right to Farm Act

Avon, IN (October 7, 2015) – Co-Alliance, LLP has just become aware that a lawsuit has been filed by the Hoosier Environmental Council on behalf of Plaintiffs, Richard and Janet Himsel and Robert and Susan Lannon against 4/9 Livestock LLC located in Danville, Indiana and Co-Alliance, LLP located in Avon, Indiana challenging the Indiana Right to Farm Act in relationship to a livestock farm located in Danville, Indiana. Co-Alliance has yet to be served with the lawsuit and will reserve further comment until we are able to review and evaluate the Complaint.

Co-Alliance is a 100% farmer-owned partnership of cooperative businesses. The company delivers agronomy, seed, animal health and nutrition, grain marketing services, power fuel and home heat energy products to local farms, businesses and families through branch outlets in Indiana, Ohio and Michigan.
