

FUELING FREEDOM

Three of our **CountryMark** branded fuel stations will host **Fueling Freedom** events on Friday, June 27 from noon-5:00 p.m. During these events, **Co-Alliance** will be partnering with **CountryMark** to support our local **National Guard** troops and recognize their contribution to our country.

Together, we will donate 50 cents for every gallon of fuel pumped and \$1 for every gallon of lubricants sold to local **National Guard Family Readiness Programs**. Also on the day of the event customers and guests at each site will be able to register to win a \$150 gift card.
