

FARMERS WIN CONTRACTS

Cash/Purchase Contract

CME Futures – Basis = Cash Price

- Both futures and basis are determined to calculate cash
- Allows to capture and lock in elevators/end users current cash price for respective months

Futures Only (HTA)

Lock in Chicago Board of Trade Price

- Lock in the futures for the corresponding futures month on the CME
- Allows capture of potential improvement on the basis

Farm Pick Up Cash Contract

Save time and money, let us haul it!

- You get quoted a cash farm picked up price
- We line up trucks for you
- Service offered all year round

Average Price Program

- Corn sign up by February 28th
- Soybean sign up by March 31st
- Average of Dec and Nov futures over a specific time frame

Basis Only

Lock in basis at destination

- Hope for improvement on the Chicago Board of Trade
- Establish quantity and delivery period
- Set futures at a later date

Minimum Price Contract

Set cash price and buy a call option

- Established by subtracting call option premium cost from the cash price
- Locks in cash floor
- Can maintain the opportunity to improve net price
- Additional income can be captured if futures linked to call option increases in value before expiration

WE ALSO OFFER!

Defer Payment

- Sell your grain this year
- Delay payment until next year
