FSA Loan On Warehouse Receipt

*Must prepay storage from date of receipt to date of loan maturity.

If sold prior to maturity, unused portion of prepaid storage {excluding minimum} will be credited back.

*There will be "7" calendar days of Open Storage for hold grain before it is put on storage.

If stored, storage reverts back to date of delivery. It is the customers responsibility to keep track of these 7 days.

*Please let the counter person know if your grain is: for sale, storage, on hold, price later, grain bank, or to be split.

All discount policies are subject to change without notice as market conditions dictate.
