- Price Later (DP) will be the rate in effect through December 31, 2025, and then \$0.05 per month through September 30, 2026. **All rates are subject to change with current market conditions.**
- Stored grain not priced by September 15, 2026 will be moved to warehouse receipt or price later. Any storage and drying charges, discounts, and any other miscellaneous charges to date will be invoiced. New minimum storage charges will apply. WGM also reserves the right to charge a carryover fee in addition to the new minimum.
- Our elevators observe an end-of-day cut-off time. Grain delivered for spot pricing will be priced at that day's closing price.
- Checks will not be issued until requested by the producer or landlord.**
- Contracts will be filled with the first deliveries unless other instructions are given prior to delivery.
- Grain delivered to elevators, terminals, and processors (direct ship) is subject to various moisture discounts and spot policies. The moisture discount will be determined by the discount schedule in effect at the time of delivery. The default disposition for direct ship grain will be spot if there are no contracts in place.
