Notes

-Grain from 2025 crop and prior remaining in elevator storage/DP will be charged a new minimum on 9/1/26.
-Bushels will be applied to open contracts first.
-Harvest grain must be designated for storage or sale within 7 days of delivery. Verify this designation with your Customer Service Team Representative. After 7 days, bushels will be put into storage where open storage rates will apply. *Bushels hauled to a non-FS Grain Facility do not qualify for the 7-day hold grace period.
-Post-Harvest, grain deliveries will be applied daily to open contracts. If no contracts are available, grain will be spotted at the value of that day's closing price unless other instructions have been given.
-Spot price for harvest bushels on hold is calculated using the basis from date of delivery and current futures price.
-All Delayed Price Later Contracts must be signed within 30 days of last day of delivery.
-New minimums will be applied on 9/1/27 for grain delivered and remaining in storage or DP, unless otherwise stated.

All rates and information are subject to change without notice
