Notes

- Grain from 2019 crop and prior remaining in elevator storage/DP will be charged a new minimum on 9/16/20.
- Bushels will be applied to open contracts first.
- Harvest grain must be designated for storage or sale within 7 days of delivery. Verify this designation with your Originator or CSR. After 7 days, bushels will be put into storage where open storage rates will apply.
- Spot price for harvest bushels on hold is calculated using the basis from date of delivery and current futures price.
- All Delayed Price Later Contracts must be signed within 30 days of last day of delivery.
- New minimums will be applied on 9/1/21 for grain delivered and remaining in storage or DP.

All rates and information are subject to change without notice
